*Progress: The forward movement of the world, the country, the community, and the individual. The world keeps going around, and amidst all of its problems and conflicts it expands both forward, and upward into space. The country follows along as a part of the world, and contributes to both its conflicts and its progress. The community is both dependent and independent of the country. Directly it works for its own betterment and indirectly it profits the nation, and the world. But most important is the person who, through making himself what he is, helps make the world what it is.*

*From Nela Park up on the hill to the new firehouse down on Shaw, East Cleveland is a growing community. No longer the small town it was years ago, it is now a full grown city with a city's problems and responsibilities. It must not only keep things running smoothly in the present, but out of necessity it must plan for the future.*

*Of all of the community's responsibilities the job of education is the most important. New leaders and new ideas will be needed in the future and it is the school's job to educate the people who will come up with the new ideas, be the new leaders, and contribute in other ways to society. Although the few years spent in school require a small portion of a person's life, they may be its greatest influence.*

*Whether it's the latest method of mass-production, the newest interpretation of an old English play, the quickest solution to an algebraic equation, or the most beneficial exercise for the strength of a leg muscle, new things are being taught everyday. Shaw High is no exception to the rule. At Shaw education of all sorts is the objective; not only education of the mind, but that of the social being as well.*

*With the latest methods of education available the teacher passes his knowledge on to the student either in large groups, through television classes, or individually in the quiet of an unused classroom.*

*The student teaches himself not only through homework, but through his activities outside of the classroom. Whether he's swimming in the pool, practicing in the language lab, or working on a project for Student Council, he is giving himself the education he'll need to carry out his own plans for life. He, too, is working towards progress, and at Shaw opportunities are virtually unlimited.*

*The teacher.*

*Some like him, some don't; but no matter which, he is the teacher. He gives a bit of himself to each student and hopes that we'll be better for it. We may not realize this now, but we will in the future.*

Today the flag of our country is flying at half mast from the flagstuffs of all the schools in East Cleveland.

This is being done as a fitting gesture of respect to the memory of a man of honesty and integrity in all things, a man of meticulous dress, manners, and speech, of few words but great deeds, of quiet dignity and humility with respect to his personal achievements, for he took great pride in the contribution of Shaw students and faculty in maintaining and improving the position and reputation of our school and the East Cleveland School System.

This Gymnasium, completed in 1953, is a tribute to his leadership in providing both educational and recreational facilities for youth. Three years ago a new structure with lounge, pool and music center was his final contribution to the youth of the community. The Board of Education fittingly named the structure the "KORB CENTER" in his honor.

Dr. Korb served as our Superintendent of Schools for 21 years. He also served as a trustee of Kent State

University. Many Shaw graduates in recent years received scholarships or grants-in-aid to Kent State through his efforts. Only last week I mailed him material concerning a member of this year's June class, for his use in assisting another Shaw student towards a college education.

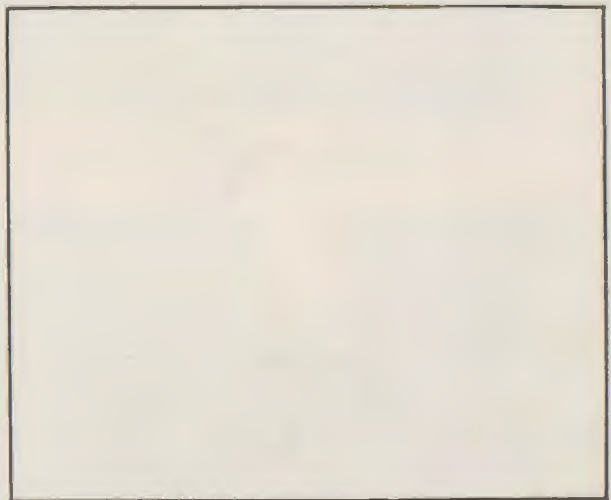

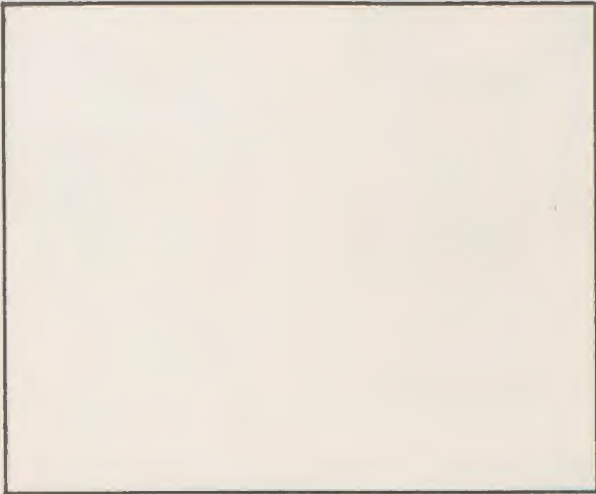

All of us here this morning have lost a friend and benefactor.

Some may question the propriety of a rally here this morning. Those of us who knew Dr. Korb well have no doubt about his personal opinion as to its propriety. He would have wanted it to be this way.

As a small measure of our respect and affection for this man and our sympathy to Mrs. Korb and the surviving sons and their families, I ask you all to stand, face the Shaw Banner, and bow your heads for 30 seconds of silence in his memory.

Wayne C. Blough

# SENIORS

*Much changed since the sophomore of three years back, the senior has accepted high school as a way of life.*

*Three years at Shaw have prepared him for four at college or a lifetime in the world. It will be hard, he admits, to get used to the idea of not going to school everyday, but what lies ahead may possibly be better.*

# ACTIVITIES

*Extra-curricular activities provide the opportunity for each person to follow his own specialized interests. They may be, depending on the individual, a source of satisfaction or a source of education more valuable than that received in some classrooms.*

*School can be fun, and activities help make it so.*

## FALL SEMESTER STUDENT COUNCIL

The fall semester version of Student Council had a membership of sixty-four, the largest in its forty two year history. This year a special effort was made to impress upon the student body the importance and value of the Council. Speeches on this subject at election time brought this idea to focus.

Besides taking care of elections, sponsoring dances, and taking charge of social and guest passes, the Council played a vital part in Shaw's Student life. The Christmas decorations in front of the building, the activity sign on Euclid, and the check on all drinking fountains were undertaken by the Council. The Council also looked beyond Shaw's corridors, Jin Shik a seven year old Korean, was adopted through the Foster Parent Plan.

Student Council is an important and beneficial aspect of Shaw for both its members and the students it represents.

## CANTEEN COUNCIL

Canteen Council is chiefly responsible for the social life at Shaw. Besides being in charge of the majority of Shaw's weekly dances it plans special dances, decorates Korb Center at Christmas, buys records, and takes care of the needs of the Lounge inside and out, such as buying fans and geraniums.

Prospective members submit applications which are screened by a committee. The committee's selections are voted on by the entire Council, with the winners from each grade announced on Honor Day. Members attend regular meetings at the Lounge on Monday evenings and work at every dance.

The highlight this year was the "Christmas in the Alps Party" held in December. The Lounge was decorated with a small forest to resemble a ski lodge. With students in ski sweaters and slacks, the setting was brought to life. Canteen also sponsored a special Alumni Dance at which a band of college musicians was featured. It was a very rewarding social season for the Council and thus the Shaw student body.

## PEP CLUB

Hard at work to insure strong school spirit, Pep Club supports many activities throughout the school year. It was responsible for many of the enjoyable dances including the annual Sock Hop, the organization and training of the "Hi-Liters," the new dance group which entertained fans during football half-time shows, and the selling of spirit badges to finance the year's activities and to promote it's slogan, "Get up steam and back the team."

## FRENCH CLUB

French club was one of the fastest growing clubs in the school, open to all french students and everyone else who had an interest in France in general. Their goal was to learn more about France, its people and customs. This year's activities included a Christmas party "a la francaise."

# HOMECOMING QUEEN

The crowning of Peggy Crysler was climaxed by the winning of Shaw's Homecoming game against Euclid. Before the game began, the queen and her attendants were paraded around the field. After the procession, Band President Pat Noon, crowned Peggy as the 1962 Football Queen. After the game a dance was held in honor of Peggy and our victorious team.

Members of National Honor Society are selected on the basis of scholarship, leadership, service, and character. At the beginning of each semester the Society elects officers and selects four members to speak on these four goals. These speeches are given at the assembly near the end of the semester, during which names of newly selected members are read to the excitedly expectant students. This year's assembly was especially memorable because it inaugurated closed-circuit television at Shaw, one of the most up-to-date methods used by schools for education and entertainment.

*A.F.S. Motto*

Brazil . . . Italy . . . the Philippines . . . American Field Service has brought the peoples of the world to the doors of Shaw. The purpose of AFS is to promote understanding among the youth of the world. This year Shaw had three students, representing South America, Europe, and Asia, who helped to carry out the AFS aim.

Walter Cabral was Shaw's first South American AFS student. He came from Forteleza, Brazil, and stayed with Pat Noon's family while studying at Shaw.

Shaw was fortunate in receiving a second AFS student this year. Andrea Honorati came to Shaw in November from Alcona, Italy. His foster brother was Mike Billington, with whose family he lived.

Bitsy Rose spent last summer in Kidapawan, Philippines, where she learned much of the Filipinos' way of life and of their warm personalities. While there she attended the Central Mindanao Colleges.

Thus, through upholding the AFS Motto, Shaw's widening circle of understanding has expanded.

## HONORED ALARCON

Spanish National Honor Society, with the aid of closed circuit television, has greatly expanded its yearly program. Under the direction of Mrs. Molho and Mr. Ameduri, classes which teach useful Spanish expressions and customs are televised for the benefit of all Spanish students.

The members of the Society enjoy many activities together. They have gone to a Spanish restaurant, and visited the Art Museum where special emphasis was placed upon the Spanish masters.

## FRIENDSHIP CLUB

After starting the school year with a "Meet and Greet" party, Friendship Club enjoyed many more successful activities. The usual fall fashion show and the dance, "The Autumn Leaves Ball" were two affairs the club also organized. Planning a Christmas service project and sponsoring the annual May Queen Dance were the perfect ending to one of the best years Friendship has had.

The annual Autumn Leaves Ball.

The Queen and her court with attendants from left to right are: Karen Thiel, Russ Large; Marilyn Jones, Bruce Matte; Queen Phyllis Alexander, Jack West; Carol Patrick, John D'As-  
tolfo; Toni Juliano, Bob Darby; Darla Durkach and Pete Mitri.

## *Rhapsody in Blue*

Queen Phyllis Alexander reigned over the well-attended dance sponsored by Friendship Club. To carry out the theme, "Rhapsody in Blue," the Lounge was decorated with blue lights and flowers. The dance climaxed a week of hectic preparation and strong competition. At an assembly the day before voting, the various committees participated in skits, an important part of the campaigning. After this humorous part of the program the candidates were presented to the student body on beautifully decorated floats.

The Queen was escorted by Jack West. The first attendant was Marilyn Jones, the second attendant was Carol Patrick. The princesses were Darla Durkach, Toni Juliano, and Karen Thiel.

## FUTURE

## NURSES

Future Nurses' Club acquaints girls with the field of medicine through planned activities. Touring hospitals and engaging speakers give the members a vivid first-hand view of their future as nurses. Compassion and concern for others, true characteristics of a nurse, were shown as the girls centered their projects around hospitalized children.

## LE MASQUE CLUB

Le Masque Club this year was sponsored by Mrs. Barbara Beesley, one of Shaw's new teachers. Le Masque began the school year by contributing to sports rallies with short skits, for the pleasure of the student body. At each regular meeting a subject of dramatic interest was discussed.

This spring Shaw's annual Black and Red Review, directed by Mrs. Beesley, became a success largely due to the support of the Le Masque members who devoted their time and work after school for weeks before opening night. By making costumes, applying make-up, supplying props, and, of course, acting in the play, "Bye Bye Birdie," each participating member was able to put his skills to work for the school.

## BLACK AND RED SCORES AGAIN WITH LI'L ABNER

"Li'l Abner," Shaw's spring musical, was the hilarious story of Daisy Mae's hectic pursuit of the female-resistant Li'l Abner. Daisy's (Jeanne Kutscher) plans to catch Abner (Lou Biscotti) on Sadie Hawkins Day go astray with the announcement of nuclear testing right in Dogpatch and with the kidnapping of Abner by crooks who want the formula of the strength-giving Yokumberry Tonic. Through the efforts of the Dogpatchers, led by Mammy (Fran Rohloff), Pappy (John Bernier), and that lovable bully, namely, Earthquake McGoon (Doug Scott), their homes are saved and Abner is returned to Daisy.

"Li'l Abner" was the fourth Black and Red production directed by Mr. Mike Dugas, who this year attended Harvard University after having won a coveted John Hay Fellowship. There he studied drama in depth and soon will return to Shaw.

## SERVICE CLUB

The members of the Service Organization give of their time and skills to serve all students at Shaw. While most people are enjoying the Lounge, the workers take care of the concession stands. The upkeep of the library and the operation of the audio-visual programs are also handled by the Service Organization.

Constantly on the alert for cries of "Help!", the Shaw Lifeguards supervise Korb pool during after-school sessions. They willingly give of their time and skills to assure all swimmers of a happy and safe evening at the pool. Of course, not all of their time is spent so seriously. They enjoy many splash parties throughout the year.

## COLLEGE CLUB

College Club does its best to help all students interested in a college education. It offers many opportunities to learn more about college life and studies. By sponsoring visits to college campuses, inviting college students to discuss their individual experiences, and with their recently started \$50 scholarship fund, College Club helps to promote further education for Shaw students.

## SPEECH CLUB

Shaw's newest organization is Speech Club, a club devoted to those interested in the art of debate. Within their own group, subjects ranging from school issues to international problems were discussed. To acquire more skill they have observed debate teams of other schools in the Greater Cleveland Speech League. Their future goal is to become an actively participating member of the National Forensic League and hold joint meetings with teams from other high schools.

This year the Shaw Choir, under the inspiring leadership of Judith Warren, had the honor of being host to the eight L.E.L. Choirs at the annual Choral Festival. This was the first time the festival was held with eight schools participating.

The choir also sang at the Home and Flower Show, on WJW radio, and at Halle's. The music of the choir was much appreciated at the Veterans' Day assembly, the Christmas concert, the Spring concert, and the June and January commencements.

The officers were: Art Philipp, President; Mike Billington, Vice-President; and Amy Clayman, Secretary.

While having fun, the choir worked hard preparing for concerts and enjoyed learning new numbers and improving their voices.

## SHAW

## HIGH HI-LITERS

The Shaw Hi-Liters, under the direction of Vicky Cirino and Barb Scherbel, originated during the last few weeks of school last June. Tryouts were announced and the final decision determined the fact that the group would include two sophomores, four juniors, and six seniors in the regular line and a girl representing each class as an understudy.

Through hard work and the willingness to practice, these girls combined their talents to perfect a completely new style of precision dance steps that were set into five flashy dance routines. Striking new uniforms accented the group's ability and rhythm. Accompanied by the modern tempo of the Shaw High School Band and Cardettes, both under the direction of S. Robert Fraser, the Hi-Liters have created a completely new and exciting version of a football half-time show.

This year's Shaw High Orchestra, directed by S. Robert Fraser, followed the fine examples of past orchestras by participating in many entertaining and worthwhile activities throughout the year. The group joined forces with the choir to present the annual Veterans' Day Assembly in November and combined with the other members of the music department for the Christmas Programs. The orchestra also furnished the traditional melodies at Commencement.

The Lake Erie League Orchestra Festival was held at Lakewood High School this year, to which Shaw sent several of its outstanding musicians. Members also earned excellent ratings at the Solo and Ensemble Contest which took place in February.

The highlight of the season was the musical production "Bye Bye Birdie" presented on April 4, 5, and 6. Due to the devoted practice and natural talent of these musical members of the student body the show was a complete success.

This year the Shaw High Band, under the direction of Mr. S. Robert Fraser, continued to be an enjoyable attraction at the football games. This season, however, there was more emphasis on musical arrangements than marching formations. Also, the marching band had an added feature, the Hi-Liters. Together they made the half-time shows a great success.

The concert band performed in the midwinter concert, "Music Americana." In March, Brush and Shaw gave a combined band concert held at Brush. The Spring Concert in May, had the band performing at its best.

## "SAY IT WITH MUSIC"

"Music Americana"

The Rhythm Teens definitely live up to these words. With a beat, a band, and sixteen singers, ringing out in melody, the Rhythm Teens are welcome wherever they go.

This year they were invited to play at the NEOTA convention. Also, they visited the Manger Hotel, Solon High School, and Sunny Acres Hospital. In January they helped the Band make the Midwinter Concert a success.

The efforts of Mr. S. Robert Fraser and Miss Judith Warren are seen at each performance as the Shaw High Rhythm Teens display their musical ability.

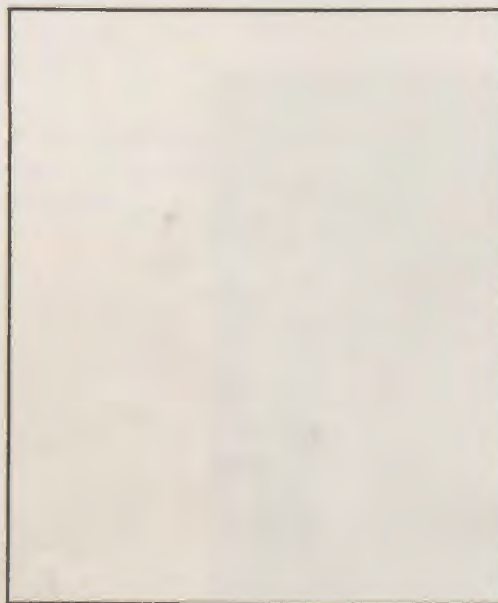

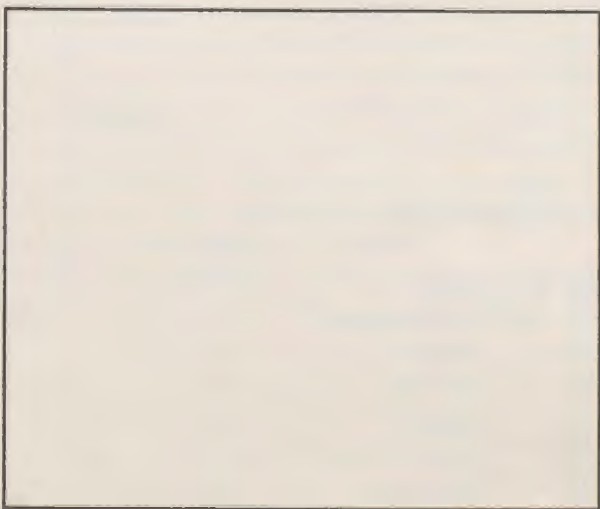

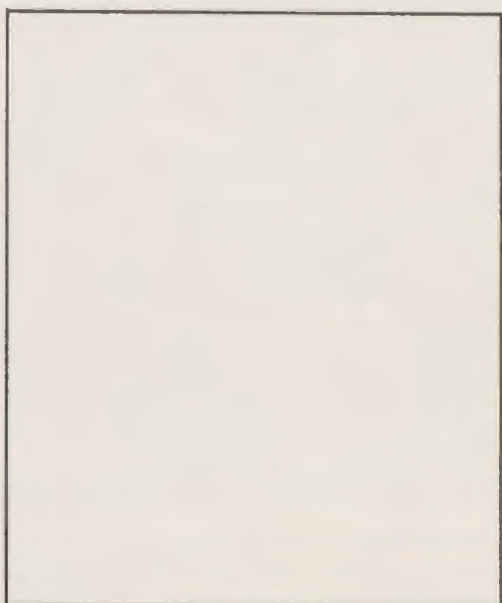

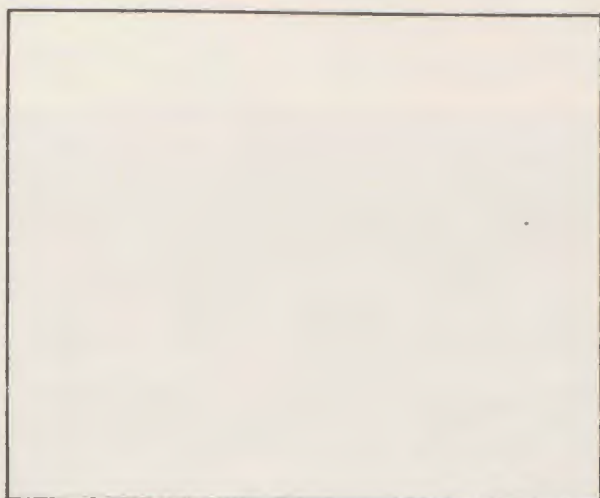

# BOY'S SPORTS

*Experience is the best teacher.*

*Some things can't be taught, they can only be learned. Active participation in sports teaches more than how to play a game, or keep a body in shape. Each person receives from his participation in a sport the dividend of his investment, which is himself.*

*A better kind of education would be hard to find.*

## A SEASON WELL PLAYED

The 1962 Shaw football team produced a 6-2-1 record, thereby gaining the co-championship of the L.E.L. The Cardinals opened the season against East. It was a well played game for so early in the season but our offense couldn't get enough sustained drives started. East's speedy backs kept our defensive ends busy. Touchdowns were scored by Mike Malec and Bob Taskes. The final score was a 14-14 tie.

Against our bitter rivals, Collinwood, they suffered their first loss of the season. The offense was more active but the defense couldn't contain the Railroaders' highly touted backs. Senior Bob Taskes put on a one-man show as he raced for all three Cardinal touchdowns. For his outstanding efforts, Bob was voted PresStar. The Cards outplayed Collinwood in every department except scoring 26-22.

In search of their first victory of the season, the Cardinals traveled to Korb Field where they welcomed the Brush Arcs into the L.E.L. by soundly trouncing them 28-8. They trailed by an 8-6 score at the half but showed their desire to win by coming alive to score three touchdowns in the third quarter. Bruce Matte and Bob Taskes scored two touchdowns each as our offense again looked good.

Out to avenge two successive losses against Shaker, we spilled the Raiders 28-0 through determined play and an all out effort. Bob Richards caught three touchdown passes from Bruce Matte, who scored one himself. For his tremendous play, Bob Richards was voted PresStar.

The mighty Cardinals, fresh from two convincing L.E.L. victories, celebrated Homecoming by routing a strong Euclid eleven 36-6. Bruce Matte's performance was brilliant as he personally broke down the Panthers by sprinting for four big touchdowns on runs of 1, 7, 41, and 60 yards and throwing a 29-yard scoring pass to Bob Richards. The defense also was quite impressive for the third game in a row. Bruce was named PresStar for his deeds of the evening.

The Shaw gridders traveled to Parma to play the newest entry in the league, Valley Forge. The of-

fense, paced by Matte's touchdown arm, was too much for the spirited Patriots. After building up a commanding lead, Coach Drebus sent in the reserves to contain the Valley Forge gridders. The final score read in our favor, 36-20

Shaw's fifth L.E.L. game of the season saw the showdown between the league's only two unbeaten teams, Shaw and the Lakewood Rangers. The Cardinals scored the first time they got the ball and lead at the half 16-6. The field, which had just been cleared of a foot of snow, was a major factor in the outcome as our fleet backs and passing attack were checked. The final score was Lakewood, 18, Shaw, 16. This loss dropped the Cards into second place in the L.E.L.

Realizing the importance of winning their remaining games, the determined Cardinals started out by halting the always powerful Parma Redmen, 21-6. This victory was particularly satisfying because the boys played before their Dads, who were honored on Dad's Day. The Cards did their best as usual. Tim Shoda was named PresStar for his fine line play and defense.

The final chapter of the '62 season came on a rainy, muddy night at Cleveland Heights. The high-spirited Cards showed they could play under the worst possible conditions with good results. Bruce Matte scored our first touchdown and passed to Rog Peckinpaugh for the conversion. Just before the first half ended, Matte fired a scoring aerial to Bob Richards, who waded into the muddy end zone. The final score of the final game was 14-6.

Congratulations to Coaches Drebus, Libertini, Burton, McVicker, and Adolph for bringing us the L.E.L. trophy. Congratulations to our heroes who gained recognition for their fine efforts: L.E.L. Quarterback Bruce Matte, L.E.L. Defensive End Tim Shoda, L.E.L. Offensive End Bob Richards, L.E.L. Center Don Highly, L.E.L. Defensive Tackle Marty Matus, and PresStar Bob Taskes. This was a fine team filled with desire, ability, and determination—a great team that never gave up.

Bruce Matte scores 1 of his 4 TD's against Euclid.

A Brush Arc eludes Bruce.

The defense stops a Lakewood back for a loss.

Dodson leads the way as Matte piles up yardage against Shaker.

Bob Taskes cuts back for a good gain against Lakewood.

Krizman stops Barney as Matus and Highley move in.

Robin Caputo makes the tackle.

Matte breaks away for a score against Euclid.

Bruce cuts up field against the Collinwood Rail-  
roaders.

Two East gridders stop Taskes for a short gain.

Taskes eludes three Railroaders as he sprints for a score.

The end of a successful season.

The J.V. football team, under the leadership of Coaches Klauss, Conge, and Konnert posted a good record of 4-2-2. The squad started out strong with four straight victories. After a tough loss to Valley Forge, the J.V.'s were tied by Lakewood and parma. The season ended with a 20-22 loss to the Heights Tigers. Several boys received credit for their outstanding playing, they were: Visci, Fricke, Price, and Alyward. It is hoped that these boys along with the other members of the team will make the varsity a strong, well-balanced squad next season.

# CROSS COUNTRY

*Seated*—Tom Muenger, Bob Knaggs, Jim Thompson, Lewis Lawrence. *Standing*—Jeff Mazur, John Welniak, Mark Presser, Paul Lucky, Rick Stepneski. Absent; Glenn Buchan.

The 1962 cross country team worked hard but could win only one meet. The lone victory was an exciting one against Collinwood. The team, coached by Mr. Stallsmith, just didn't have enough depth necessary for a winning season. The harriers lost five outstanding senior lettermen to graduation, but Tom Muenger and Jim Thompson managed to lead the team with their good performances. Jim won his third letter and Tom won medals at the Brush Relays and the district meet. The boys anticipate a better record next season.

Bob Knaggs moves ahead of two Heights runners.

The Shaw Track team, coached by Norm McVicker and Doug Stallsmith, suffered seven losses out of nine dual meets. Highlighting the season were the fine efforts of Orin Marvin and the 440 yard relay team. Orin was the L.E.L. high jump champ after clearing 5'10" and the team consisting of Lino Perosa, Ron Greer, Sheldon Benton, and Bob Taskes, established a new school record in the 440 yard relay.

## CAGERS HAVE EXCELLENT SEASON

*Bottom Row:* Trainer Dale Rothenberger, Bob Turner, Jim Morrison, Pat Visci, Tim Shoda, Mike Malec, Bill Howell, Mgr. Tony LoGrande, Mgr. Derek VanPelt. *Top Row:* Head

Coach Tom Meinhardt, Larry Hanawalt, Jim Smalley, Jay Meyers, Drew Byers, Mark Presser, Charles Little, Bruce Matte, Coach Dick Welton.

This year Coach Tom Meinhardt's varsity cagers compiled an impressive 12-6 record. Under his inspiring leadership the Cardinals captured third place in the L.E.L. posting an 8-6 record.

Tim Shoda and Jim Smalley served as co-captains. Tim was a valuable member of the squad who showed great versatility as a rebounder, scorer, and playmaker. Jim was the team's leading scorer and rebounder for the second straight season. Junior Mike Malec was the squad's second leading scorer. Pat Visci played exceptionally well for a sophomore, showing prowess as a scorer and playmaker. Bruce Matte was a member of the starting five before his graduation in January. 6'5" Jay Meyers and 6'8" Drew Byers were strong rebounders who could also score when necessary. Junior Bill Howell and Senior Larry Hanawalt saw plenty of action and performed well.

This season produced many exciting victories. The second Euclid game was probably the most exciting in many years. The game was a typical Shaw-Euclid battle, highlighted by rugged play and an abundance of spirit. With thirty seconds left in the game, Bruce Matte sunk a long jump-shot to ice the contest. As Shaw fans poured onto the court, the scoreboard told the story; Shaw 55 to Euclid's 54. Tim Shoda paced the Cardinal attack with 15 points. In the 83-44 romp over Brush, Malec had 21 while Smalley added 20. In the 77-61 victory over Shaker, Malec paced the team with 22 as Smalley added 20 and Pat Visci chipped in 17 points. In the

67-52 win over Brush, Big Jim Smalley poured in 30 points and grabbed 22 rebounds. In the loss to Heights, Smalley hit his season high of 31 points.

Congratulations go to Coach Meinhardt and Coach Welton who molded the tall and talented cagers into an exciting, winning basketball team.

## SWIMMERS ARE BEST IN YEARS

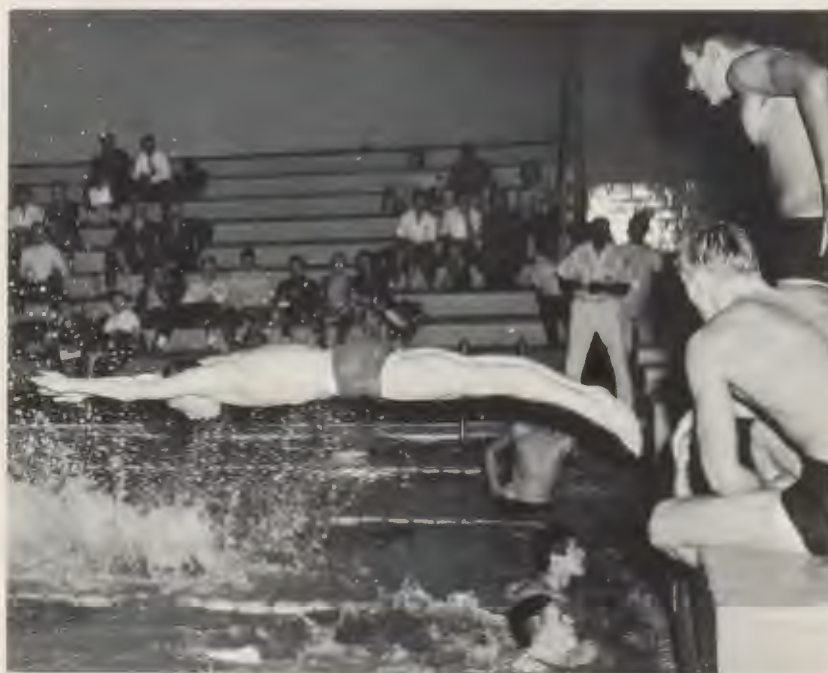

*First Row:* Holmes, Webster, DeFina, DeMuth, Dunn, Mgr. Powers. *Second Row:* Downs, Hartory, McKay, Burton, Brown, Kobsik, Hampton, Hoffman. *Third Row:*

Billington, Thacker, Klaass, Rohde, Watters, Kramer, Stevens, Evans, Funari, Cabral.

The 1962-63 Shaw swimming team posted its best record in twenty years. Under the inspiring and dedicated leadership of head coach Dave Costill, the tankers posted a fine 7-7 record. Four records were broken: sophomore Keith Evans erased the old mark in the 200 yd. freestyle. Junior Ron Kramer lowered his own record of 1:08.1 to 1:07.5 in the 100 yd. breaststroke. The 200 yd. medley relay team, consisting of Watters, Klaass, Webster, and Hartory, posted a 1:49.8 record. The 200 yd. freestyle team, consisting of Downs, McKay, Evans, and Hartory, lowered the mark to 1:38.7.

This year three boys were named to the All-District Swimming Team. They were Ron Kramer, Fred Klaass, and Bob Webster.

An even better record is hoped for next season as nine lettermen will be returning in quest of a high finish in the rugged L.E.L.

Bob Webster is off against Lakewood.

The Shaw wrestling team captured three victories this season under the leadership of Coach Elmer Kress. In Coach Kress' first season as head mentor, the hard-working grapplers showed good potential and a real competitive spirit. Don Highley, 230 pound senior, was the team's most consistent performer as he won 8, lost 3, and had one draw. Junior Bill Dearth who wrestled at 175 lbs., posted seven wins. Junior Bob Petche placed fourth in the regional tournament and advanced to the district matches where he lost a close 2-1 decision.

According to Coach Kress, the squad should definitely improve with only one first string member graduating.

## VARSITY POSTS FINE RECORD

*Bottom Row*—John Wardell (*Mgr.*), Karl Schneider, Jim Bucar, Tim Shoda, Don Highly, Gary Medeikis, Bob Baronni, Derek Van Pelt (*Mgr.*). *Top Row*—Louis Chulick (*Coach*), John Kepich, Art Philipp, Bob Liddy, Jim Smalley, Bruce Matte, Dave Austin, Marty Matus, Phil Bolton, Mike Malec, Rudy Libertini (*Coach*).

The 1962 baseball team posted a fine record of eleven wins and eight losses. Under the excellent coaching of Mr. Chulick and Mr. Libertini, the boys finished with an 8-7 L.E.L. record and a 3-1 record in independent games.

In a review by positions, Phil Bolton and Bruce Matte pitched eleven wins between them. Art Philipp, who alternated between the J.V.'s and Varsity, had a sparkling earned run average of .75, with Gary Medeikis ready to come in and relieve any of the starters.

Centerfielder Mike Malec was the team's leading hitter at .328, with fellow-out-fielder John Kepich close behind with a .327. Rounding out the powerful outfield was Marty Matus, also a constant threat at the plate.

Infield positions were well played by Bob Liddy and Jim Smalley, whose strong arms and mighty bats kept the Cardinals in many a game. Also strong here were Dave Austin and Karl Schneider. Catcher Tim Shoda was outstanding behind the plate defensively, and also held a threatening .305 average.

Other boys who played well and were real assets were Jim Bucar, and Bob Baronni. Prospects for next year are very bright, with five lettermen returning and experience at every position.

## J. V.'S HAVE IMPRESSIVE SEASON

*Bottom Row*—Mgr. Herb Reed, Jim Forristal, Doug Michel, Jim Morrison, Tom Perry, Christy Tartara, Dennis Bickel, Dick Waskovich. *Top Row*—Coach Dick Fort, Ed Holmes, Jerry Watt, Mark Presser, Dennis Vaughn, Jim Ball, Al Narha.

The J.V. Baseball team, coached for the first time by Dick Fort, compiled an unusually fine record of nine wins and six losses. Dennis Vaughn and Jim Ball handled the pitching chores along with Art Philipp, who won five games and allowed only ten scattered hits in six games. Jim Bucar, Chris Tartara and Tom Perry continually hit the ball out of the park while Jim Bezdek had the highest average, .333. The combination of shortstop Bucar and second baseman Perry checked many threats with their fine defensive play. The season was climaxed by a 2-1 win over previously unbeaten Euclid.

## GOLF TEAM HAS DISAPPOINTING SEASON

*Bottom Row*—Scott Henderson, Vic Voinivich, Don Burton, Jim Walsh, Ron Stakich. *Top Row*—Coach Costill, Jim Smith, Tom Kennedy, Jack Addams, Art Limbird, Jim Fern, Jack MacNeal, Jim Baker.

The 1962 edition of the golf team had a fairly dismal season, their best effort being a tie with Brush. Under the direction of Mr. Costill, the team members learned to play and enjoy the game of golf. The boys showed fine sportsmanship and determination while suffering many setbacks. The most consistent golfers were, Ron Stakich and Jim Baker. Senior Jim Walsh recorded the season's lowest score with a fine 81.

## TENNIS TEAM WORKS HARD

*Bottom Row*—Chambers, Hoffman, Hagen, Maremaa, Scharsmidt, Webster, Azarian. *Second Row*—Coach Meinhardt, Paxon, Akiya, Greenblatt, Blanco, Novak, Green, Isaacson, Lo-Grande, Barnoski, K. Greene.

Despite their fine effort, the boys of the Spring-1962 Tennis Team faced a rough season. However the team, under the leadership of Coach Thomas Meinhardt, must be given much credit for the hard work and the great deal of time they spent. Even though the team as a whole had a losing season, the following players proved outstanding: Tom Maremaa, who won a first place in the L.E.L. competition held at Forest Hill Courts, Dave Harley, Steve Webster, Bruce Scharsmidt, and Skip Schreck.

And you think you've got problems?

Somebody down there better catch me!

In volleyball it's the hands that count.

Now how do I get untangled?

An exhilarating A.C. meeting.

A.C., the governing body of G.A.A. and the girls' gym classes, is sponsored by Mrs. Leah Johnson and Mrs. Nancy Deonise. The girls meet on Thursday mornings to plan the activities for the school year. Some of the events which were listed this past year besides the regularly scheduled G.A.A. nights were the LEL Playday (to which Shaw sent twelve representatives), volleyball tournaments at Heights, the annual Army-Navy game, and the Sports Splurge held for the entire school. The officers for the first semester were: Phyllis Woodworth, President; Joyce Johnson, Vice-President; Lois Spring, Secretary; and Marilyn Jones, Treasurer. Vice President Peg Crysler, Secretary Bonnie Andrews, and Treasurer Laura Carlson assisted Phyllis during the second semester.

Who says soccer is a tame girls' game?

Awards are presented on Honor Day.

Watch the ball!

Marilyn gracefully executes this difficult stunt.

Girls' Athletic Association continues to be one of the largest and most popular clubs at Shaw. A membership drive—held at the beginning of each semester—saw over four hundred girls join by paying their dues of twenty-five cents a semester. For this small fee a girl may participate in such sports as volleyball, swimming, bowling, softball, trampoline, badminton, tumbling, ping-pong, soccer, and basketball. The highlight of the year is the Army-Navy basketball game which climaxes the basketball season in the spring.

For each sport in which a girl participates she is awarded a certain number of points, with extra points given to members of winning teams and those who help with officiating. On Honor Day awards are presented to girls on this point basis: four hundred points for a letter S, eight hundred for a gold pin, twelve hundred fifty for a key, and fifteen hundred for a trophy.

A refreshing dip in Korb Pool.

## COLORFUL AQUATIC STARS SPARKLE

Catalina Club, the girls' synchronized swim organization, is one of the newest and rapidly-growing groups at Shaw. Organized this year under the direction of Mrs. Deonise, the girls spend countless hours practicing to improve their varied aquatic skills. Every Monday night they assemble for a business meeting. Following warm-up exercises, they practice in the water.

To be considered for membership, a girl must attend a series of clinics at the beginning of the year where different skills and formations are taught. Try-outs are held at the final clinic, with thirteen girls being selected this year. New members are: Mary Lou Weiland, Barb Dion, Linda Kwasney, Gerry Orr, Blanche Rowe, Pat Barton, Vicki Kennedy, Lois Anderson, Donna Wolfe, Sue Alstedt, Peggy Hensley, Ellen Reed, and Linda Washkewicz.

Catalina girls had a very busy season this year. In November they participated in a playday with the synchronized swim club of Euclid Senior High School at Korb Pool. Several A.A.U. clinics and an overnight outing at Red Raider Camp were planned. Their annual water show was held in April with "Color" as the theme.

The highlight of the girls' sports program is the Army-Navy basketball game, which is put on completely by the girls. Two varsity and two J.V. teams are chosen from the outstanding players in G.A.A., with a manager for each team chosen by the respective team members. Besides participating in the game itself, the girls are in complete charge of the rally, tickets, cheerleaders, and publicity. All this must be accomplished in the frenzied two weeks preceding the game.

To gain experience, the girls scrimmaged teams from Shaker, Euclid, and Brush. Under the watchful eye of Mrs. Leah Johnson the girls slowly molded themselves into smooth-functioning units, which were then presented to the enthusiastic students and parents at game time. Five girls who played their second year varsity received trophies; varsity players, gold basketballs; and J.V. members, gold medals.

A more exciting and suspenseful twin-bill basketball night could not be imagined. The J.V. game kept the fans on their feet through the last few seconds before Army edged the Navy J.V. team 26-25. The varsity game was a demonstration of girls' basketball at its best. The teams had been selected so that they would be as near equal as possible, and they were. Navy, however, ran into serious foul trouble and also had a slight injury to its captain. At the final tally Army had won 35-28. No matter who wins, however, the winners and losers both agreed that the Army-Navy program is one in which they were proud and happy to have participated.

"Where'd that sneaky little ball go?" cries Phyllis.

A familiar yet exciting sight at all Shaw football and basketball games are our peppy cheerleaders. Rain or snow, hot or cold, victory or defeat, they never cease their smiles or enthusiasm.

A varsity cheerleader is chosen from among fifty or more eager applicants on the basis of jumps, coordination, personality, and cooperation. Selected for this year's squad were Patt Havas, Ellen Shrader, Marilyn Jones, Lauren Visci, Basketball Captain Peg Crysler and Football Captain Amy Clayman. Linda Perchan and her assistant Vicki Cirino serve as managers for the girls.

Because of Shaw's increased enrollment the girls were faced with the problem of having students seated on both sides of the gym during rallies. They responded to the challenge by becoming "two faced."

As always, the 1962-63 squad exhibited all their talents to the utmost and were truly an asset to the teams, the students, and all spectators.

## CHEERLEADERS ARE TWO-FACED

## CHEERLEADER UNDERSTUDIES

This year our cheerleaders are fortunate enough to have three exceptional understudies ready at a moment's notice to fill in for the regular girls in an emergency. Their help with skits, dances, new cheers, and songs, give them experience and practice which will help them later in their quest for a position on the varsity squad.

## JUNIOR VARSITY CHEERLEADERS

Under the direction of their capable manager, Mary Lou Egan, the Junior Varsity Cheerleaders form a smooth-functioning unit, keeping up the spirit and excitement at all home J. V. games. No matter how few loyal fans arrive early enough for the J. V. games, their cheers always ring loud and clear for our team to hear.
