An acorn is planted in fertile soil, and through the years, with beneficial environment, this tiny seed grows into an oak of tremendous proportion. As a young and tender plant, its growth can be altered or changed by environment, nature, and even by man.

The physical and mental growth of a human being is similar to the growth of a tree. The environment stimulates, changes, and influences the growth of an individual, not only physically, but also mentally and intellectually. From the time of birth to old age and death an individual changes in character, in personality and spirit, in personal values, and in mental outlook.

Most of this growth takes place in high school. It is, in a sense, the bridge between childhood and adulthood. As the student first enters high school, he finds new situations and many challenges confronting him. As he progresses through the years, he gains knowledge and experience and learns to accept challenges, successes, and defeats . . .

. . . Character develops and takes on a definite and lasting shape during the high school years. The student has matured; he accepts responsibility and loyalty to his school; and his friends have become deep and true. As the senior leaves high school, he has the ability to think deeply, to make judgments and decisions, and to realize and develop the creativity existing within.

Teachers play a very important part in the development of the individual. They exert their influence which creates lasting impressions on the character and mind of the student. The aid and guidance of the teachers enables the student to think logically and objectively, to realize the importance of knowledge, to recognize his own abilities, and to prepare himself for his future life . . .

“ 'Tis education forms the common  
mind:  
Just as the twig is bent the tree's  
inclined.”

# *Activities*

Student Council, as the largest service organization at Shaw, represents the opinions and ideals of the student body. The eighty-five regular members and the representatives-at-large from the two upper classes provide a sounding board of students to the administration.

The executive board plans the twice-monthly meetings. These students have attended seminars on student councils in the L.E.L. to discuss basic problems and gain new ideas in high school government. Through these board members, correspondence has been kept with Shaw's foster child, Jin Shik, and order has been kept at meetings.

The legislative committee takes charge of voter registration throughout the year. Homecoming and May Queen elections are the responsibilities of these members.

Campus Improvement has tried to see that all school activities are kept in order. They also try to institute new ideas for school improvement.

Service Committee organizes Cardinal-of-the-Month. The decorations on the football field and the cars for the Homecoming game were planned by these council members.

Publicity committee sees to it, through posters and PA announcements, that Shaw students are made aware of the forthcoming Student Council functions.

Spirit committee has scheduled and planned this year's sports rallies. They have tried to instill spirit in the student body by the sale of Shaw pennants and duffle bags.

Social committee provided the many social activities of Student Council. These included the All-School Parties in November and March. The March All-School Party gave Shaw students something different. Each club was permitted to have a booth to add to the carnival atmosphere. The distribution of I-D cards was also made possible by this committee.

Student Council serves the community through its work on United Appeal. It informs the Shaw student body of the many school activities and also provides a suggestion box for students to use to expose personal opinions and ideas.

Service Club is an organization comprised of forty-five people devoting their time in aiding in Shaw's various useful activities.

The boys who furnish the music during lunch, after school, and at dances are members of Korb Sound Crew and of Service Club. Rallies are also listed in their itinerary.

Our self-reliant library aides help to keep the library a smooth-running organization. Their activities are varied. Included in them are taking attendance, delivering notices, arranging magazines, and designing displays. Their help is much appreciated in keeping the library neat and attractive.

After school leisure would not be complete without the help of those who work behind the concession stand. These people spend many extra hours serving the students at Korb Lounge.

Stage Crew must not be forgotten. Without these people, our plays would lack many meaningful effects.

## *F. T. A. members investigate teaching field*

The thirty members of Future Teachers have discovered the dedication that the teaching profession involves. The club members sponsor a dance during the year and help at open house. Their future teaching experiences are acquired by attending work shops, observing Prospect School students in class, and tutoring in various subject matter.

Pep Club has tried throughout the year to live up to its purpose: To create and develop better school spirit both at games and at rallies; to support the cheerleaders by giving freely of their vocal chords in cheering our teams on to victory; to take part in any rallies; and to help out in program sales when needed. This organization meets on the first and third Monday of each month with an officers' meeting every second Monday.

The 175 members have planned the following events for the 1965-1966 school year: a Turkey raffle at their Thanksgiving dance; the selling of shakeros and buttons; and paying for cleaning bills and pom-poms for the cheerleaders.

## *Voices ring in school spirit and debate*

The forty members of NFL Speech Club participate and compete in such categories as debate, dramatic and humorous declamation, extemporaneous speaking, oratory, radio announcing, and poetry reading. They earn points for these competitive events toward National Forensic League awards and recognition.

The club's purpose is to further interest and participation in competitive interscholastic forensic activities. Meetings are held every second and fourth Thursday. To raise operational funds NFL Speech Club holds bake sales, a dance, and sells ads for football programs. The club also has a formal NFL induction ceremony each year, participation in the Prince of Peace Contest and the Rotary Club Speech Contest. An NFL scholarship is awarded each year to a deserving NFL senior.

## *Fields of business and nursing explored*

Future Nurses Club assists girls in the choosing of a career in the health profession. At their meetings on the first and third Wednesday of each month the members plan various activities for the coming year. This year they took tours to Huron Road Hospital and to the Rosemary Home. Speakers from Mount Sinai Hospital and the Jane Adams School of Practical Nursing inspired interest among the members.

## *HARVEY—a hilarious fall play*

An alcoholic whose best friend is an invisible rabbit offered Shaw students the humor of a Broadway play. Le Masque Club brought talent to Shaw High School in its production of Mary Chase's *Harvey* on December 4, 1965. John Chapman, as Elwood P. Dowd, portrayed this imaginative character. His visions of a friendly rabbit upset his sister (played by Kathy Wasil) and his niece (played by Karen Eller) to the point of their sending him to a psychiatrist. But the extreme belief of this very friendly but lonely man is so influential that by the time the last curtain is lowered even the psychiatrist thinks he sees a rabbit.

# ANNIE GET YOUR GUN — '65 spring play

When Buffalo Bill's Wild West show arrives in a small Ohio town, Frank Butler, portrayed by Don Kennedy, Bill's crack rifle shot, issues the usual challenge to the town—to defeat any sharpshooter among the citizenry. Imagine everyone's surprise when a girl accepts the challenge and *wins!*

Our own Annie, Anne Lucas, was cast as the unsinkable Miss Oakley. She joined the show, fell in love with Frank, and the plot hatched.

Boy met girl so, naturally, boy must lose girl and win her in the end with no help from the conniving Charlie Davenport, played by Roger Horvath. With many changes of scene, much singing, shouting, dancing, and the humor of Rick Bongiorno as Sitting Bull, the lovers get together at the end when Annie purposely loses a challenge match with Frank but wins him as a husband.

The Shaw newspaper, *The Observer*, is only in its second year, but its staff has bigger plans for it already. They have planned more issues and more columns. Meetings are held often, though at no regular scheduled time.

## *Friendship in word and deed*

Through Friendship Club, fellowship and cooperation with the school's activities are promoted at Shaw. The fifty-three members spend their meetings planning many social and charitable projects. They sponsor the Autumn Leaves and May Queen dances, a January fashion show, and a mother-daughter banquet. Each member collects children's books during the Christmas season for the Salvation Army or Good Will.

## May Queen adds excitement to spring

Every senior homeroom student has the opportunity to nominate the girl of his choice for May Queen. The votes are counted, and the six girls with the highest number of votes are the candidates for queen.

Then comes the flurry of committee meetings when May Queen becomes the external force activating the Shaw High student body. All interested students support their "queen."

Ellen Reed reigned as Shaw's 1965 May Queen. Her court consisted of Mary Perosa, Dale Lazar, Kim Blowers, and Paula Stone. These girls and their escorts graced Korb Lounge to crown the festivities.

LYNN HUGHES

The rain did not dampen the enthusiasm of Shaw's Homecoming crowd at the Shaw-Brush football game. Lynn Hughes, Homecoming Queen, represented the spirit of Shaw's student body. Drum major, Dick Fraser, crowned the queen before the game. The three princesses and two attendants assisted Lynn in reigning over the Homecoming festivities.

Scholarship, Character, Leadership, and Service are the distinguishing characteristics of National Honor Society members. At the beginning of the fall semester the Society elects officers and selects four members to speak on these four goals. The speeches are given at a tense assembly near the end of the semester during which names of newly selected members are read to expectant students. The recognition received by the newly elected members is widespread and the honor great.

## *Honor societies require high scholarship*

The Spanish National Honor Society accepts students taking Spanish who have an "A" or "B" average and have been recommended by their teachers. This organization stimulates interest in Spain, the customs, culture and civilization.

The forty-five members meet once a month when they discuss activities and plans. They also have distinguished speakers at every meeting. The students raise money with car washes and a bake sale. They try to make enough money to provide a scholarship for a student who will major in Spanish in college.

College Club is an organization whose purpose it is to promote student interest in further education after high school. The club meets on alternating Tuesdays and has had college representatives as well as our own faculty speak on their respective colleges. Also, the club sponsored the selling of OFF TO COLLEGE, a magazine sold to the juniors which gives basic facts about college life and study.

Because higher education is necessary today, College Club tries to present the student with helpful information so that his decision for the future can be made more easily.

## *Preparation for education here and abroad*

“Walk together, talk together all ye peoples of the earth. For then and only then shall there be peacc.”

A.F.S. Motto

For the past ten years Shaw has helped foster the purpose of American Field Service: “. . . to increase understanding among peoples of the world by giving young people opportunities to live and study as members of carefully selected families in another country.” Shaw High School has felt the warm influence of each foreign student, and many friendships have been made through Shaw’s A.F.S. representatives abroad.

This year’s candidates for the American Abroad program from Shaw are JoAnn Cannon and Arthur Copeland. Both have proven themselves worthy of representing East Cleveland and the American Field Service.

Shaw has been happy to have Fely Fuentes of the Philippines here with us this year. Her warm and quiet way has charmed all of us and has broadened Shaw’s understanding of the youth of the world. Mr. and Mrs. Robert Kerr and their daughter, Nancy, are Fely’s American family.

Shaw High School's Mixed Chorus and Concert Choir have become a celebrated faction of East Cleveland. The members of both of these vocal groups have performed at various functions, such as our annual Christmas Concert and our Spring Festival. The most select group, the Concert Choir, has also displayed its musical talents on the Veterans' Day Program; in events outside the East Cleveland district, such as the Home and Flower Show and the Lake Erie League Choir Festival; and will conclude the year with a final concert at Severance Hall during the Commencement Program. The choir sings in quartets and octets instead of the usual arrangement by section, singing music in four to eight parts, both accompanied and a cappella.

Some of our Senior Choir members were able to attend a workshop at Hawken School where select musicians in a number of high schools were organized to study under the direction of the eminent conductor, Mr. Robert Shaw.

Musical selections used by both choirs have been found comparable to those used by many colleges and universities. All periods of music history are explored; all types are enjoyed whether they be religious, folk, stage music, or whatever. Each group is concerned with both performance and music appreciation; the reward is the praise of East Cleveland and surrounding suburbs.

The select Shaw High Rhythm Teens have entertained audiences since 1953. The sixteen vocalists and sixteen musicians are chosen each year from Shaw's musical organizations. Each member excels in music, but this is not the single trait judged. Personality and certain amounts of forwardness are necessary to present their show-stopping talent.

The 1966 season held dates at various East Cleveland P. T. A.'s. These popular teens also have played for audiences throughout Northeastern Ohio. These have included: Cleveland's City Club, the Salvation Army, downtown Kiwanis, at the Red Cross Awards, for the area Girl Scouts, and many other varied organizations.

The desire is to entertain, and Shaw High Rhythm Teens do this with the air of professionals and the freshness of youth.

## *Whimsical, rhythmical, and*

The Shaw High Orchestra, under the direction of Mr. S. Robert Fraser, undertook many tasks during the 1965-1966 school year. In November they played for the Veterans' Day Program which is a tradition at Shaw. Selections from the Nutcracker Suite and Handel's Messiah highlighted the festivities of the Christmas Program, which was given for the student body during the day and for the family and friends in an evening performance. On February 9th, 1966, Shaw was host to the Lake Erie League Orchestra Festival, an orchestra composed of 200 of the finest players from the Lake Erie League High Schools. This proved to be a worthwhile experience for all, including the student body who attended the performance.

The annual spring Broadway musical, BELLS ARE RINGING, once again used the services of this fine organization. The orchestra worked hard to make the performance a success. To end the school year, the orchestra presented their Annual Spring Concert and played for the Commencement exercises at Severance Hall.

## *precise music*

The Shaw High Band, under the direction of S. Robert Fraser, displayed itself in many different forms this year. The band members began work as a marching band with Mr. Fraser and his assistant, James Woehrmann, the last week of August. The band spent its mornings at the football field drilling and its afternoons at Korb learning new music and getting uniforms. It ended its hard pre-season work with a picnic. The first ten weeks of school were filled with preparing and executing pre-game and half-time shows for football games. When this period was over, the Shaw High Marching Band changed over a weekend into the Shaw High Concert Band. In this form the band staged a mid-winter concert with the Rhythm Teens on January 30, and, along with the orchestra and choir, presented a spring concert in May. In February members of the band successfully entered as individuals or groups the Greater Cleveland Solo and Ensemble Contest held at Euclid Senior High School. The band became a small touring band during March, performing concerts at each of the six East Cleveland Elementary Schools. It changed back into a marching band to close the year by participating in the East Cleveland Memorial Day Parade.

The 1966 Shaw Hi-Liters have worked long and hard hours to reach their high level of precision dancing. They have entertained at football games, rallies, and basketball games. This year's line consists of twelve girls, three understudies, and two managers. The captain is Fran Yoshioka.

The Hi-Liters hold meetings whenever a dance or a rally is coming up. By the end of the year they will have discussed making flowers for the cars of the football queen and her court, a booth at the all school party, and dancing at the Cleveland Indians opener as part of the band.

The managers of this year's line deserve special recognition for giving up their time to guide and drill the Hi-Liters through their various routines. Nancy Chorman and Lois Kisroczy have given added spirit and organization to Shaw's Hi-Liters.

These dynamic six practiced all summer and throughout the school year. For the first time in Shaw's history, the junior varsity cheerleaders were permitted to cheer at the home J. V. football games. These girls kept up the spirit at all home J. V. basketball games.

The **FRESHMAN CHEERLEADERS** are six lively, peppy girls. They are chosen after a three week clinic held in the fall. The girls practiced at least twice a week, and they cheered at all home freshman basketball games, the last home football game, and one basketball rally and winter sports rally.

## *A.C. members reflect good sportsmanship*

The purpose of Girls' Athletic Council is to give service to the Shaw High Physical Education Department. The object is to develop leadership and create interest in physical education, to develop ability in demonstrating skills and activities, and to develop practices of good sportsmanship. Each of these twenty-five girls helps in making G.A.A. activities enjoyable for all members. One A.C. member is appointed head of an activity. With an assistant, she is required to set up teams, prepare time schedules for the teams to play, take attendance, and record the points. The members of A.C. also aid in gym class each day. Each A.C. member receives one hundred points per year.

To be a member of Athletic Council, a girl must be in G.A.A., fill out an application, and pass a written and skill test.

## Army Donkeys show winning form

In the past thirteen years of Army-Navy pigtail basketball, Army has been the "underdog" in victory, but not in winning spirit. They went through days of try-outs and hours of gruelling practice. But their strategy was not limited to the basketball court. Crazy foam and cold showers awaited opposing teammates.

Army marched to victory after setting a narrow margin at 16-14 at the end of the second quarter. The final run led to a 30-19 victory. High point man was co-captain Barb Shoda with ten points. Barb also led in jumpballs and recoveries. Linda Davidson took the most rebounds for the team, helping to tie up the ball for most of the game.

The Junior Varsity team were disappointed, but the experience was well worth the effort. Alice Valentine, a freshman, led with five points followed by Margie Blankenship with four points. Army did give Navy tough competition as the fourth quarter ended with a score of 18-10.

A final word of appreciation must be extended to the teams' managers, J. V. Joanne Psihountas and Varsity managers Kathy Hummer and Micki Smith. Without their devoted time and effort, the organization would have been lost in creating a successful and enjoyable game.

*J.V. Sailors sail to victory*

Navy Junior Varsity sailed to victory after the bout with Army J.V.'s with a score of 13-10. Navy's long hours of practice, determination, and high spirits helped in achieving this victory. High scorers were Marilyn Maloney, a ninth grader, with five points and Carol Abramczyk, a junior, with four points.

Navy Varsity was not as fortunate this year as they were two years ago with their two wins in a row. Nevertheless, their spirit and determination were not lacking in energy and eagerness. Barb Crysler and Mary Ann Fisher led in jumpballs and recoveries.

On February 17, 1966, it was learned that Melvin Carter had attended Shaw High School unlawfully since September and participated in athletics, though ineligible. As a result the football team, under Ohio High School Athletic Association rules, forfeited eight victories. Officially the Lake Erie League standings will show Shaw in eighth place with an 0-7 record for the 1965 season. The over-all record is 0-10.

## Second's

The first game of the 1965 Shaw High football season secured for the "Mighty Mice" and Coach Don Drebus the confidence to strive for bigger and better things—the L. E. L. crown.

"Black and Red" reigned as Shaw defeated West High 40 to 0. An interception by safetyman, Tony Gunder, the amazing running ability of fullback Mel Carter, and rifling passes of Mickey McNeil helped to make the "opener" a Cardinal victory.

A crowd of 7,500 football fans were present at Shaw Stadium as the Cardinals whitewashed the Collinwood Railroaders, 10 to 0.

Halfback Van Tyus stuttered and danced fifty-seven yards to a Cardinal touchdown. Linked with this fine offensive skill, Dave Petruziello spilled Collinwood quarterback Bruce Kordic twenty yards back of his line of scrimmage to help set up Shaw's 2 point safety.

McNeil threw a strike to tiny end Clayton Burroughs for the extra points.

Tim Cain catches pass and scores for first T.D. against Lakewood.

Quarterback Mickey McNeil reclaimed his starting job and put his own finishing touches on the T. D. passes. With Shaw on its own 34 yard line, McNeil flipped to fullback Mel Carter who scored the touchdown. Later in the fourth quarter he fired a long pass to Henry Goodwin who completed it on the 10 yard line. Two plays later, Bobby Allen scampered five yards for the second T. D. and the victory.

The Cardinals bounced back with a decisive 13 to 0 victory over the Rangers of Lakewood. After a scoreless first quarter, Shaw struck for the first score of the game with Mic McNeil hitting Tim Cain for a 13 yard touchdown. Shaw struck again late in the 4th quarter when an alert Bob Simmons picked off a Lakewood fumble and rambled 63 yards for Shaw's 2nd touchdown. Pete Billington's extra point kick rounded out the game's scoring.

The Shaw defense again did an excellent job, holding their opponents scoreless for the 5th time of the '65 season.

Gerald Brannon and Mickey McNeil halt Raiders' move with fine blocking.

RUSH HOUR!

*mice" prove big!*

Fred Hargrove leaps into the air in pursuit of Valley Forge ball carrier.

The gang's all here!

Tony Gunder gives it his all.

For the second year in a row, the fighting Shaw Cardinals fell to the Valley Forge Patriots with a score of 16 to 12. Shaw was behind from the opening whistle. After an early exchange of punts, Forge marched down the field and put 8 points on the board. With little time left in the half, Shaw closed the gap, 8 to 6, with Tony Gunder bootlegging the ball in from the 4 yard line.

In the fourth quarter Shaw pushed into the lead 12 to 8 with sophomore Bob Allen drilling in from 3 yards out, but all in vain. After the kick-off the Patriots took the ball and marched 70 yards in 4 plays to score the winning touchdown.

This was only the second loss in 8 games for the Cardinals, still a fine record.

## *J. V.'s are champs with a future*

The JUNIOR VARSITY TEAM has had its most formidable season since the origin of Junior Varsity Football in 1940.

As a group, the team has displayed the determination and dedication that so exemplified the spirit of our great Varsity wins. Some of the outstanding players in offense at quarterback have been Buddy Schultz and Terry O'Neil; halfbacks Terry McCurdy and Sterlie Jones; fullbacks Tom Bailey and John Wittenmyer; ends Barry Steele and Pete Peters; tackles Bill Curry and Fred Bizzell; guards Randy Mates, Jim Wardle, and Joe Eckel; centers Scott Gray, Ken Forestall, and John Thomas.

Defensively, we had great support from linebacker Tom Larabee; halfbacks Bob Cala and Ralph Bordelon; guards Jeff Knox, Dave O'Neil, Jim Donovan, and Jerry Dodson; tackles Glenn Bateman, Brian Ross, Zach Space, Tom Brown; ends Dennis Mullen and Bill Krug; backs Cortland Buggs and Jim Giarelli.

## *Freshman victories insure glory*

The FRESHMAN FOOTBALL TEAM opened its season by defeating Wiley Junior High 14-6. At the next game we found the Collinwood Railroaders invading Shaw Stadium, and our freshmen thoroughly out-classed their neighborhood rivals 36-0.

Shaw then came from behind in a hard-fought first half to defeat Euclid Shore 26-6. This set the stage for a most important battle with Memorial Junior High, whose tie last year marred Shaw's unblemished record. Shaw beat Memorial 35-0.

The Cardinals then met their first defeat in two seasons when they traveled to Garfield Heights to play and suffered their first loss 14-6 in the rain and mud. Shaw concluded the season by defeating West 20-0.

Outstanding contributions were made by Mike Nelson, Gary Spolarich, Jim Yates, John Leibert, Carl Richards, Jim Adams, Ernie Gallo, Darrell Quander, Tony Mitri, and Pete Peters, who were spectacular as the line men. Backfield players were no exceptions as Melvin Hope, Cornelius Davidson, Tom Rowley, Jerry Clampitt, Steve Houseworth, and George Allen played the game in ideal fashion.

## Shaw's HARRIERS show fine form

*Bottom Row:* G. Baxter, B. Benz, C. Hart, P. Keefer, B. Blything. *Second Row:* S. Spithas, L. Jones, G. Guy, R. Valentine, C. Hageman.

With only two returning lettermen and nine boys on the team, the 1965 CROSS COUNTRY TEAM was handicapped from the beginning of the season. However, the team, under the leadership of Coach William Wilkinson, must be given credit for the hard work and the great deal of time they spent.

Cross Country is not a glamorous sport. After school, hours are spent at gruelling, never-ending practices. Even at meets there are no crowds lining the course to cheer a team on. It is a matter of personal pride with a runner to perform to the best of his ability.

Despite a losing season, these boys never gave up. This is shown in the scores of the Heights and Parma meets in which they were just barely defeated. Also it must be mentioned that they faced extremely tough competition. For not only did the L. E. L. contain the state's top runner, but two of the state's top five teams.

Grant Baxter and Chris Hart received their second-year lettermen pins while Chuck Hageman, Bruce Blything, Bob Benz, Greg Guy, Larry Jones, Rich Valentine, and Paul Keefer received their first-year letters. It is only regrettable that spirit cannot be measured, for in spirit these boys were unbeatable.

Although it does not take wins to make a team, the 1965 spring and fall tennis teams had the drive and determination that makes them Cardinal teams. Coach Earl McNeilly, fall tennis, and Coach Ed Falkenstein, spring tennis, must be given much credit for the hard work and time shared with the boys in practice.

The 1966 Varsity Basketball Team again showed its winning in performances that left the crowds breathless. They were there to win and to prove to our tall opponents that height does not make baskets. It took hours, weeks, and months of practice to develop their fine court form. They fought to the end to stay on top and they did. The boys established themselves as a team worth watching at home, away, and in tournament play, a team of ambition, one that all Shaw students should be proud of.

Once again Shaw's J. V. and Freshman basketball teams proved themselves to be fighters. Their determination and ability won success and closed a victorious season. The Freshman team had a record of 11; their only loss going to Euclid Shore with a score of 52-59. J. V.'s scored 9 wins and 9 losses.

## *Timers, clear your watches; swimmers, take*

A new coach helped stimulate Shaw's Swim Team into a successful season. Coach Anderson's constant emphasis on "Think! Swim! and Win!" helped broaden the boys' outlook on victory. When thoughts were not on schoolwork, the swimmers were in the water for two hours a day, six days a week.

The first half of the season showed many improvements over last year. Dick Young and Steve Wellman set the pace for the school and pool records. Shaw's swim team can also be cited as beating highly ranked Lakewood and Shaker.

The second part of the season showed signs of bad luck for Shaw, but the meets we lost were just a matter of points, showing the boys' fine determination.

The J.V. SWIMMING TEAM earned a fine name for themselves by achieving a record of six wins and three losses in the 1965-1966 swimming season. Their upsets came in the meets against Berea, Lakewood, and Shaker. However, their triumphs were many, and if practice makes perfect, the future is bright for these boys. The J.V. TANKERS learned the strokes and turns that will help the Varsity team next year.

The TRACK TEAM'S record may not be impressive to the record-minded person, but they gave their all to the opposing competition.

Their practice sessions include work-outs during seventh period and after school. Most of the meets are held away, since Shaw's track is not regulation size.

The teams' field activities include the broad jump, pole vault, discus, shot put, and high-jump. In running, the jump measures include the 50 and 100 yard dash, the 440, 880, and the halfmile. The boys initiated fine effort, and they deserve recognition for their determination.

SHAW'S GOLF TEAM will again try to achieve a win in a dual meet. The fact that we have not won such a meet did not inhibit Shaw from giving the other teams competition. We always finished fairly well, never last.

Since the opposing teams have time to practice because they belong to their individual country clubs, Shaw has a considerable disadvantage. Practice facilities are limited by using a public course and each member pays for his own practice rounds.

With returning lettermen and the increased interest of other enthusiasts, golf is becoming a well respected sport at Shaw.

For the first time in eight years, SHAW'S WRESTLING TEAM broke records and won meets. Great coaching and a firm desire played an important part in these accomplishments. Although their wins were few, Shaw broke records by beating University School, Orange, and Lakewood for the first time in Shaw's wrestling history. It was also the first time the matmen won an L. E. L. match.

The object was to win, and individually the team surpassed all bounds. Each of the wrestlers went through gruelling workouts so he could weigh in at his proper weight class. However, it was worth all those hunger-filled weeks to finally feel that last burst of strength and hear the roar of the decisive pin.

The Mayfield Sectionals proved Shaw's determination as they scored forty points as a team and ranked fifth out of the fifteen schools represented. This made it the first time Shaw has been out of last place. Matmen who scored individually were Jimmy Jones as sectional champ in the 120 division, Tim Cain with a second place in the 165, and Mike Petruziello with a third in 112. It is too bad that school interest wasn't higher, because this was a wrestling team to be proud of.

Another class has graduated; another leaf has fallen from the tree of knowledge. Through the years the tree has grown to maturity as the students of Shaw have grown in a wealth of intellectual experience. Each year has brought new perspectives and ideals. Each student has become an individual although he is not alone with his separate problems. He is surrounded by friends and guiding teachers. As the leaf falls and finds its worldly place, Shaw graduates are able to leave singly and seek their own goals, searching for further identities.
