The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial statements. This includes not only sales and purchases but also expenses, income, and transfers between accounts.

The second part of the document provides a detailed explanation of the double-entry accounting system. It describes how every transaction affects at least two accounts, with the total debits always equaling the total credits. This system helps in identifying errors and ensures that the accounting equation remains balanced at all times.

The third part of the document outlines the steps involved in preparing financial statements. It starts with the trial balance, which is used to verify the accuracy of the ledger accounts. From there, it moves through the process of adjusting entries, which are necessary to recognize revenues and expenses in the correct period. Finally, it details the preparation of the income statement, balance sheet, and statement of cash flows.

The fourth part of the document discusses the importance of internal controls. It explains how a well-designed system of internal controls can help prevent and detect errors and fraud. Key elements of internal controls include segregation of duties, authorization, and independent verification.

The fifth part of the document covers the topic of depreciation. It explains how the cost of a long-term asset is allocated over its useful life. It discusses different methods of depreciation, such as straight-line, declining balance, and units of production, and provides examples of how to calculate depreciation expense.

The sixth part of the document discusses the treatment of intangible assets. It explains how these assets, such as patents, trademarks, and goodwill, are recorded and amortized. It also discusses the criteria for recognizing and measuring intangible assets.

The seventh part of the document discusses the treatment of liabilities. It explains how liabilities are classified as current or long-term and how they are recorded and measured. It also discusses the impact of liabilities on the financial statements.

The eighth part of the document discusses the treatment of equity. It explains how equity is composed of common stock and retained earnings and how it is recorded and measured. It also discusses the impact of equity on the financial statements.

The ninth part of the document discusses the treatment of taxes. It explains how taxes are calculated and recorded and how they affect the financial statements. It also discusses the impact of taxes on the company's cash flows.

The tenth part of the document discusses the treatment of foreign currency transactions. It explains how these transactions are recorded and measured and how they affect the financial statements. It also discusses the impact of foreign currency transactions on the company's cash flows.

“There is in friendship something of all relations,
and something above them all. It is the golden thread
that ties the heart of all the world.”

John Evelyn

Friendship is the relationship in which a person can really be himself. He can confide in his friend and express to him his joys and fears. In friendship, there is achieved a relationship, binding yet free, which can never be attained in any other relationship.

When a freshman comes to Shaw, he has undoubtedly had experience in making friends. But now he probably has more potential friends around him than he has ever had in his life. To make new friends, he needs a certain spirit of adventure. He certainly can seek out friends who share his interests and background, but he can also meet people who have different opinions and interests.

What is more challenging than a friendship with a person who has seen and heard things you never have, who has been to places you haven't been, and has explosive and unconventional opinions? Friendship is the opportunity to communicate, to share, and to learn.

1967 PROM COMMITTEE CHAIRMEN—Julie Nadeau, Dan Fuller, Tom Grant, Barb Crysler, JoAnn Cannon, Debbie Depp, Paula Maeder, Gary Henderson, John Kovach, Chris Noon

The Shaw student, as he grows older, becomes more aware of the friends he has, not only his peers, but also his teachers. He realizes what he can contribute to a friendship and how he can gain by this friendship.

Shaw typifies the spirit of friendliness. The administration, the faculty, and the students all seek to communicate with and to learn from each other.

The Shaw High Cardinals, led by 13 returning lettermen, opened the 1966 football season by shutting out the West High Cowboys 20-0. Shaw's junior fullback Tony Gunder opened the scoring with a five yard burst up the middle. The "Executioners," Shaw's fabulous defensive unit, were next to put Shaw on the scoreboard. Linebacker Dave Petruziello and End John DiBartolomeo busted through to block a West punt in the end zone for a two point safety. Early in the third quarter Junior Fullback Bobby Allen plunged one yard to give the Cardinals a 14-0 lead going into the fourth quarter. Tony Gunder again climaxed a sustained offensive march by scoring his second touchdown of the young season to end the game's scoring. Safety man Mike Wolfgram earned the "Executioners" plaque of the week for his fine defensive play.

Brannon on the run for Shaw.

Shaw's varsity football team ended a magnificent season

Shaw's mighty mites remained undefeated and unscored upon by defeating Midpark, 35-0. It proved a take no contest as Shaw rolled up 28 points in the first half with Bob Orwig and Tony Gunder each scoring two TD's apiece. Quarterback Buddy Schultz added 6 points on an eight yard scamper and Pete Billington kicked three extra points to round out the game's scoring. Fred Hargrove won the Executioner Award of the Week.

Shaw students say "Beat 'em Birds."

The "Executioners" extended their shut-out string to three games by whitewashing Collinwood 27-0 before 8,000 fans at Shaw Stadium. The Cardinals struck paydirt the first time they had the ball, putting together a 93 yard march with Bobby Allen scampering the last 23 yards for the score. Early in the second period, Linebacker Bob Simmons pounced on a Collinwood fumble on the Railroaders' five yard line. Tony Gunder then bulldozed his way to the two and Bob Allen slipped over for the TD. Buddy Schultz added the two extra points and Shaw led 14-0. Schultz added another score before the half on a six yard run and Wingback Gerald Brannon "busted over" from the four in the third quarter to end the game's scoring. Linebackers Dave Petruziello and Bob Simmons were co-recipients of the defensive award of the week for their defensive play.

Peters and Brannon wipe out Collinwood carrier.

"Send them to their doom."

Shaw opened its bid for its fifth L.E.L. championship in six years by drubbing Parma 14-0 on a rain-drenched Shaw field. The Executioners held Parma to four first downs in recording their fourth straight shut-out while the offensive unit, led by Fullback Tony Gunder, controlled the football throughout the game. Gunder opened the scoring the second quarter on a four yard jaunt off tackle. Buddy Schultz added the two extra points and Shaw led 8-0 at half time. The Executioners set up Shaw's third-quarter touchdown by stopping Parma on a fourth yard and one-yard-to-go gamble on the Shaw 30 yard line Bobby Allen then scampered in from four yards out to end the night's scoring.

with a tremendous victory to make us L.E.L. CHAMPS

The *only* letdown.

Shaw met its first stumbling block in the L.E.L. championship race by tying the Cleveland Heights Tigers 6-6. With a minute and thirty-two seconds left in the game, Heights scored the first touchdown of the year against the Mighty "Executioners," thus spoiling their chance of a record fifth shutout.

It was a defensive battle all the way with both teams exchanging punts throughout the first three quarters. Shaw struck first with Tony Gunder plunging over from 6 yards out. The score stood until the fatal last minutes. The defensive unit again played an excellent game, repelling Heights time after time to preserve the tie.

Spirit is our most important product.

Shaw got back on the winning track by spoiling the Brush "Arcs" homecoming by a score of 21-6. Shaw poured all 21 points into the first two quarters with Bob Simmons, Tony Gunder, Sterlie Jones, and Pete Billington doing the scoring. Simmons' TD came on a 11 yard TD pass from Buddy Schultz early in the first quarter. With 1:23 left in the first quarter, Tony Gunder "busted over" from the one for six points. The Highlight of the game came in the second quarter when Junior Fullback Sterlie Jones took a Brush punt and scampered 65 yards for the score. Billington added all three extra points and Shaw had a quick 21-0 lead. The Cardinals lost their bid for their fifth shut-out of the season with 53 seconds remaining in the game when Brush's Halfback scampered 65 yards for their only score of the game. Shaw now stood 2-0-1 in the L.E.L. play.

Shaw recorded its third L.E.L. victory of the year by deflating the high flying Shaker Red Raiders 20-0 to the delight of 5,000 Homecoming fans. Up until this game Shaker had not allowed a point scored against them in three previous L.E.L. games. Touchdown twins Tony Gunder and Bobby Allen again combined their talents to score all three touchdowns, with Allen scoring in the second period on a two yard run, and Gunder plunging over from 1 yard out in the third period and from five yards in the fourth. Billington kicked the extra points after the first two touchdowns. Shaw's defense again played a great game, with guards Bruce Bythway and Fred Hargrove doing most of the damage.

Gunder breaks a Shaker tackle.

As the big night with Lakewood drew near, one felt

Shaw recorded its sixth shut-out of the season by bombing Euclid 24-0. Touchdown twins Bob Allen and Tony Gunder both racked up two touchdowns apiece to keep Shaw in the running for the L.E.L. crown. The game was close until Allen took the second half kick-off and dashed 97 yards for the score. Euclid was never able to recover from this defeat. The defense again played an outstanding game by keeping the big Euclid backs under control. Bob Simmons received the plaque for his outstanding play as defensive linebacker.

The Executioners they're not!

Shaw warmed up for the big showdown with Lakewood by demolishing Valley Forge 30-12. Shaw poured over 24 points in the first half with Tony Gunder getting two short runs; Bob Simmons had one on a five yard pass from Quarterback Buddy Schultz, and Mike Wolfgram highlighted the first half by intercepting a Valley Forge pass and scampering 58 yards down the sideline for a Shaw touchdown. The second half saw Bob Simmons score his second touchdown of the game by taking an eight yard strike from Schultz to end the Shaw scoring.

Mouse takes orders from the Chief.

In one of the greatest games ever played by a Shaw High football team, our Cardinals overwhelmed the mighty Lakewood Rangers, 39-0. 10,000 fans packed Shaw Stadium to see the predicted "Game of the Year" between two undefeated league foes. Lakewood was favored by two touchdowns and everyone expected them to roll over Shaw the same way they rolled over six previous league foes. But the quick and ever-tough Cardinals showed who really was the better team.

The scoring began when Junior defensive halfback Sterlie Jones intercepted a Lakewood pass and dashed 35 yards for the score. From this point on, it was all Shaw. Early in the second quarter Tony Gunder, behind a great offensive line, scooted over from two yards out to give Shaw a 14-0 half-time lead. In the third quarter Bobby Allen dashed 21 yards to give Shaw 20-0 lead. The fourth quarter saw the Cardinals pour over 19 points with Brannon, Gunder, and Terry McCurdy doing all the scoring. Lakewood never had a chance against the ever-mighty Shaw "Executioners." They recorded their seventh shut-out of the season which is a school record.

Hats off to Head Coach Don Drebus and his great coaching staff for their dedicated efforts in bringing the L.E.L. title back to Shaw where it belongs.

The J.V. Football team exhibited great precision and talent again this year. With 5 wins and 3 losses, Shaw held a good record, displaying many good Varsity prospects. The 4 shut-outs highlighted the season, demonstrating the powerful defense of the team. The offense was also spectacular scoring 119 points during an 8 game season against L.E.L. foes. Due to injuries and ineligibilities, many times the team's excellent players were reduced, but the tough J.V.'s continued their games with never-quitting consistency. Doing outstanding jobs for the J.V.'s were Carl Richards and Cornelius Davidson. Ron Nied received the most valuable player of the year award.

In the three year history of the Freshman Football teams, the 1966-67 team had an undefeated season, honoring Shaw with its second undefeated Freshman team. The Freshmen, with their fantastic defense, yielded only 14 points, 6 to Memorial and 8 to Wiley. The offensive unit proved equally talented scoring 104 points in their 6 game season, including 4 shut-outs.

Doing an outstanding job in the backfield were Earlie Jones and Rick Clark. Leading the offensive linemen were Curtis Tucker, Reggie Brown, Mike Snyder, John Stofco, and Mike Freeman. Stalwarts of the defensive line were George Henson, Herb Mann, and Mike Freeman. It was noticed by the Freshman coaches that each individual player contributed in some way to the undefeated season. Shaw can be assured of a promising football future in the years to come with these outstanding Freshman players. Congratulations to Head Coach Vlah and Assistant Coaches Gamble and Mosher for their successful undefeated season.

The Fall and Spring Tennis teams showed promise and effort, although their season was not composed entirely of wins. Coach Wondrak and Coach Falkenstein brought guidance and the team retained the notorious Cardinal spirit. The players tried hard and improved as the season progressed in the courts against L.E.L. foes. With the help of determined players, great coaching, and the never-quit Cardinal attitude, Shaw can hope for better tennis seasons in the future.

The Shaw High Varsity Basketball team had its most successful season in many years. With 12 wins and 6 losses, Shaw's lilliputians proved big and that height does not always make baskets. Shaw also can be proud of the fine coaching provided by Coach Fort. Long, tedious hours of work and practice developed the fine court form exemplified by the team. Highlights of the season included Shaw's bringing home its first District championship in 17 years. Congratulations to Coach Fort and his fine Basketball team which restored basketball prestige among our L.E.L. foes and which all of Shaw can be proud.

Shaw's J.V. Basketball team proved to be great with a season composed of 15 wins and 3 losses. Having games with tough L.E.L. foes as well as other independent schools, the fighting J.V.'s displayed what Shaw has come to expect of its athletic teams. The J.V.'s Coach Schnoke gave the team inspiration along with guidance and help. The determination and dedication of this team is admirable, and Shaw can be proud of its J.V.'s. With the talent and perseverance of these boys, the Varsity team for the coming year promises to be tough.

Varsity Baseball had a good season, consisting of 11 wins and 10 losses. The team contained Seniors as well as sophomores, and their talent provided good L.E.L. competition for their foes on the field. Carl Schultz and Buddy Schultz were a brother team which brought many of the victories to Shaw. With the help of the return of these players, the Baseball team of Shaw should improve in the future.

Shaw's J.V. Baseball team did not have a season composed entirely of wins, but their determination and spirit can be admired. With 3 wins and 9 losses, Shaw's season was not as good as was hoped, but the players gave all their talent and hope to it. The team demonstrated many good Varsity prospects, and their assistance will provide the basis for a good team next season.

With ten returning Varsity Swim team members, Shaw's Varsity Swimming team recorded 6 wins and 7 losses for the season. With the idea of swimming "Up, not Out," Shaw showed great improvements during the season. With sustained determination, the swimmers worked out 2 hours a day, six days a week.

The first half of the season found Shaw being defeated by tough foes. Individual times were improving, though, and the second half of the season promised to be better than the first half. In many cases the toughest L.E.L. foes only beat Shaw by a few points, which further displayed the improvement made by the team.

Doing outstanding jobs for this year's team were John Leibert in the 100 yard breast stroke and the 400 freestyle team consisting of Bruce Westcott, Chuck Shantry, Tom Gest, and John Butler. Next year promises to be an even better season with the continued efforts of dedicated swimmers like these. Hats off to Coach Anderson, Coach Colnon, and Coach Smith for improving upon their previous season and increasing the prestige of the Shaw Varsity Swimming team.

Although it does not take wins to make a team, the Track team had the drive and determination to supply the L.E.L. foes with good competition.

The Track team does not receive as much recognition as the other teams, but the boys work just as hard with work-outs after school and during seventh period. The track team field activities are the broad jump, discus, high-jump, pole-vault, and shot-put. All the boys concerned worked hard and the determination deserves acclaim.

With 7 wins and 0 losses, Shaw's Cross Country Team did an outstanding job. The team had long, tough practices which helped them gain their victories, along with the guidance of Coach Wilkinson. The competition was tough, but Shaw displayed the Cardinal Spirit against all L.E.L. foes, becoming undefeated. Congratulations to Coach Wilkinson and all the boys who carried the Shaw Cross Country team to victory.

Shaw's Varsity Wrestling team showed promise and bettered the previous season by recording 4 wins and 7 losses. With the fine coaching staff consisting of Coach Bals, Coach Wondrak, and Coach Callow, the boys did their best and worked consistently throughout their gruelling practices. The wrestlers struggled to keep their weight under control, but all the hunger-filled days were quickly forgotten when the team improved so much. All Shaw students can be proud of the fine efforts made by our Varsity Wrestling team.

Shaw's J.V. Wrestling team also proved tough by recording a season of 6 wins and 4 losses. With the hope of making a great Varsity team next year, the J.V. Wrestlers worked diligently and consistently until the end of the season. With the dedication of these boys, Shaw can look forward to a tough Varsity squad next year.

The Freshman Wrestling team also performed well on the mats. With 4 wins and 4 losses, the freshman boys were introduced to high school wrestling and did an outstanding job. All three wrestling teams certainly deserve recognition for the fine jobs they did.

ability, determination, and undefeatable high spirits

During the two days of Army-Navy tryouts, about one hundred girls came to the gym to show their playing skill. Only forty girls were selected to play on the four teams. This exciting game of pigtail basketball is an annual spring event which continues in its popularity.

The girls spent about two weeks of hard practice after school before the game. They also made posters and flyers during their free time. Meetings were held at various times during the week and on Sundays. The teammates met at each other's homes to discuss plays and make posters.

All the girls, whether their teams won or lost, experienced a feeling of satisfaction in working and playing hard to attain a goal. The managers of the varsity and junior varsity teams must not be forgotten. They devoted their time and energy to organize and plan this successful game.

Smith-Vassar are the rival girls' volleyball teams. Try-outs are held for two nights and the best girls are chosen. These girls work diligently for two weeks to perfect their skills and tactics. This Smith Varsity and Vassar J.V. were victorious. An all-star team was chosen from the combination of both teams and these girls played in competition with different schools. Much praise should be given to these girls, for they finished first in a playday at Shaker High School. The competition was tough, but determination and spirit won over all.

A.C. members demonstrate ability, good sportsmanship;

The purpose of Girls' Athletic Council is to guide, instruct, and assist the various girls' athletic activities. The council tries to develop leadership and create interest in physical education, to develop ability in demonstrating skills and activities, and to develop practices of good-sportsmanship. One member is appointed head of an activity. With an assistant, she is required to set up teams, prepare times for these teams to play, take attendance, and record points. Each day the members of A.C. also aid in the gym classes. Each A.C. member receives one hundred points per year for her services. These A.C. members are well-qualified, for they must take a written and physical examination.

Seniors are given recognition on Class Night 1966

With the coming of spring, seniors begin to feel the excitement of their approaching graduation. May Queen gives the prospective graduates a chance to support the candidate that they feel is best qualified for the title. There are many nights filled with planning for the skits and speeches, as well as the get-togethers usually held after the big event. The following week Canteen Council holds the Senior A dance. At this time certain senior students are given awards for outstanding qualities that they have shown throughout their high school career. The next week brings with it, probably, the most important social event of the senior year—prom. Members of the graduating class, dressed in their most formal attire, meet in Korb Lounge and the Shaw Gymnasium for the last dance they will attend as seniors. Then Class Night is held. The students and their parents come to the gymnasium where awards are given to several of the students for excellence and participation in subjects and activities. Of course, the ultimate event on each of the seniors' calendars is graduation itself. Many tears are shed as the graduates recall some of their more cherished memories.

Jeff and Ella take their bows.

BELLS ARE RINGING, a delightful Broadway musical about the hilarious adventures of a New York answering service girl, was produced on the Shaw High stage. The girl in question is Ella Peterson. Ella is a warm, human person who enjoys helping people with their problems. But the problems she creates for herself are uproarious. She helps a dentist become a songwriter, a beatnik become a well dressed and talented actor, and last but not least, she helps a playwright become a playwright. Wedding bells ring in the end as Ella and the playwright, Jeff, fall into each others' arms.

Anne and Peter.

Front Row: Anne Lucas, Becky Donaldy, Mike Hoffer. Back Row: Bob Chambers, Lill Ljuboya, Tim Marcovy, Francis Clem, Dave Tucker

Le Masque produced, with Mr. Martin directing and doing sets, an interesting as well as challenging performance of *The Diary of Anne Frank*. A well balanced cast of dedicated student actors gave a performance that proved that Shaw students appreciated a good play in which to work. Although many of the cast members were veterans of other Shaw productions, they seemed to reach a little farther and try a little harder in this play. The result was a credit to them and their school. Becky Donaldy, Anne Lucas, Karen Eller, Lill Ljuboya, Dan Wilson, Bob Chambers, David Tucker were the veterans; Mike Hoffer, Tim Marcovy, and Francis Clem were outstanding newcomers.

Effort and dedication are displayed by LeMasque

Le Masque is a club at Shaw whose members are interested in things dramatical. The members—at present about fifty—sponsor, pay for, and produce one major dramatic production a year. Occasionally they promote a spring play as well as a fall show. They meet twice a month on Wednesday.

Members who collect enough points by taking part in plays at Shaw either on stage or back stage can become members of the National Thespians, an organization made up of clubs interested in drama in thousands of schools all over the United States. Ten members of Le Masque are members of National Thespians, and more are inducted into the organization at a regular banquet in the spring.

The present president of Le Masque is Anne Lucas. The sponsor is Mr. Martin.

Those who work behind the concession stand spend many hours serving the students. They are greatly appreciated for their service.

The Shaw Hi-Liters' precision dancing, which is enjoyed during half-time at all the football games and at occasional basketball games, illustrates a great amount of talent.

The 1966-67 Hi-Liters held practices in the summer under the annex three or four times a week and every night during football season. Their dances were taught to them by choreographer, Mr. Maurice Nystram.

This year's line consists of twelve girls, and there are four understudies and two managers. Cathie Silvester and Sally Phelps, the managers, help the girls to learn their new routines. They deserve special recognition for devoting so much of their time to the Shaw Hi-Liters.

Besides entertaining at games, the Hi-Liters appeared in the Annual Kiwanis Show and marched at the Cleveland Indians opening game. During this past summer four of the girls danced at Severance Center. The money that they were paid for this went to the Hi-Liters' treasury.

The Hi-Liters don't only work; they also have some wonderful times at practices and pajama parties. They also have memories that they will cherish long after they leave Shaw.

Under the direction of Mr. S. Robert Fraser, the Shaw High Band is an active, able organization, which is noted for its versatility. During the last week of August, the band began work as a marching band. In the mornings they drilled at the football field, and in the afternoons they learned the new music at Korb Lounge. In this time they prepared for the football games with Mr. Fraser and his assistant James Woehrmann. At the end of this hard work period, they celebrated with a picnic.

During the first ten weeks of school, the band prepared and executed pre-game and half-time shows for the football games. After this period, the Shaw High Marching Band changed into the Shaw High Concert Band. With the Rhythm Teens, the band staged a mid-winter concert. In May, the band, along with the orchestra and concert choir, presented a Spring Concert. In February, the band successfully entered members as individuals or groups in the Greater Cleveland Solo and Ensemble Contest, which was held here at Shaw High School. In March, the band became a small touring band, performing concerts at each of the six East Cleveland Elementary schools. We had a marching band again to close the school year by participating in the East Cleveland Memorial Day Parade.

The Shaw High Orchestra is one of the busiest and most talented organizations in our school. Under the direction of Mr. S. Robert Fraser, the orchestra performed for many school functions. In November the orchestra played at the traditional Veterans' Day Program. They also provided entertainment for the Christmas programs. One was given during the day for the student body. For family and friends, there was an evening program. The orchestra also played at the spring musical, GUYS AND DOLLS, and at the annual spring concert. At the end of the school year, the orchestra played for the commencement exercises at Severance Hall.

This fine organization worked hard to make all of its performances successful. The members deserve recognition for their perseverance, ability, and success.

The Shaw High Rhythm Teens are selected musicians and vocalists. These members are chosen from Shaw's various musical organizations on the basis of ability and personality. They must acquire good showmanship in order to present their programs effectively.

This organization has entertained audiences since 1953. They perform at many East Cleveland P.T.A.'s. These teens play for audiences throughout Northeastern Ohio, such as Kiwanis, the Salvation Army, Cleveland's City Club, the Red Cross Awards, and the Girl Scouts.

The Rhythm Teens are talented performers. They entertain their varied audiences with an original and professional flair.

Shaw High School's Concert Choir and Mixed Chorus, under the direction of Mrs. Ruth Honess, have become a celebrated faction of East Cleveland. These groups perform together twice a year at the Christmas Concert and the Spring Festival. The most select group, the Concert Choir, also displays its musical talents at various other functions, such as the Veteran's Day program, the Home and Flower Show, the Lake Erie League Choir Festival, and for the first time at Severance Center for a Christmas Program. They will conclude the year with a final concert at Severance Hall during the commencement program. The Choir sings in octets and quartets instead of the usual sectional arrangement. They sing music which is in four to eight parts, both accompanied and a cappella.

Musical selections used by both choirs have been found comparable to those used by many colleges. Many types of music, such as religious, folk, and stage are explored. Each group is concerned with both performance and music appreciation. They are rewarded with the praise they receive from East Cleveland and surrounding suburbs.

This year, in addition to its duties of being the sounding board for all the students in the school, Student Council has many other responsibilities. It has taken on many of the duties of Pep Club, including selling pep buttons and making posters. Student Council this year initiated the Winter semi-formal dance and continued to sell football programs and play patronages. Shaw was also the host for this year's L.E.L. Student Council Conference.

Student Council is divided into four committees. The five officers, the four committee chairmen and their four assistants comprise the Executive Board. The Board meets before every meeting to plan the agenda for the meeting.

Legislative Committee this year has taken on the task of rewriting the Student Council Constitution. This was necessary because the old document was outmoded in election procedures and made no provision for freshmen.

Social Committee planned the Student Council Christmas Party and the Student Council dances throughout the year. The summer schedule of dances was also run partially by Student Council.

Publicity Committee is in charge of making posters for Student Council events. Publicity people also write PA announcements to help make students aware of Council-sponsored functions.

Spirit Committee plans the sports rallies for the year and is in charge of the skits. Pennants and duffle bags are sold by Spirit Committee to help instill Shaw students with spirit.

In addition to these services, Student Council provides a way for students' suggestions to get to the administration. The United Appeal Campaign was supervised by the Council and a Korean child, Jin Shik, though growing older, is still the foster child of the Council.

The forty-five members of Canteen Council are responsible for planning the dances held after basketball and football games, as well as half of the summer dances and certain special dances, such as the Christmas dance. Council holds weekly meetings on Monday nights at 7:00 P.M. in the lounge. Buying the records for the lounge and serving refreshments at Open House are just two of council's many services. Each year part of the profits goes toward scholarships which are awarded in order to further education among Shaw students.

Helping students make future college plans is the aim

College Club is an organization which has been established in order to assist students in their choice of a college and the procedures concerning application. This year, in addition to its usual program, College Club, sponsored a trip to Pittsburgh, Pennsylvania, to see such colleges as Chatham, University of Pittsburgh, and Carnegie Tech.

Art Club is geared to students who wish to learn more about art and enjoy themselves at the same time. This year, the members of the club took a field trip to the Cleveland Art Museum. Outside projects, such as decorating Korb Lounge for the Student Council Semi-formal and helping to paint the props for the plays, are some of their other activities.

Chess Club was organized in order to give interested students the chance to practice and compete. The members play Chess and discuss strategy during their lunch period and at meetings which are held Thursdays until 5:00 p.m.

A tournament was held this year, and the club's president, Charles Rittenburg, was the winner.

“ . . . to increase understanding among peoples of the world by giving young people opportunities to live and study as members of carefully selected families in another country.” This is the purpose of the American Field Service, which one might compare to a diplomatic service on the high school level. A.F.S. gives qualified foreign students the opportunity to reside in and become a part of a community in the United States. American students are also chosen to participate in this program; however, the quota for exchange students from the U.S.A. is much lower.

Shaw High School has fostered the A.F.S. program for the past eleven years. We have had students representing many parts of the world. This year Shaw is fortunate to have Mulu Tennagashaw who hails from Ethiopia as a member of our student body. She has shown her congeniality and her interest in Shaw through such activities as Canteen Council, Student Council, and Friendship Club.

This year an A.F.S. committee has been formed. The main purpose of the committee is to aid the exchange student in adjusting to American customs and to his new home and school. Shaw's committee works closely with the adult committee. A representative is sent to each of the Chapter meetings and he reports the proceedings to his committee. The members of the committee are Nancy Wert, Steve Blossom, Donna Samson, Barrie Reardon, Arthur Copeland, Ann Shrader, and Chris Hill. Dr. Lily Molho is the committee sponsor.

Ann and Chris are Shaw's representatives to A.F.S. for this year. Both students have proven themselves worthy to represent East Cleveland and to fulfill the goals of A.F.S.

The individual learns through teaching and writing

The Rim, Shaw's new literary magazine, is a publication of verse and prose. It offers an opportunity for students to publish their own writings and to better understand the principles of literary criticism. The members spend their meetings discussing writings submitted from the school and staff. These writings are criticized and revised at this time.

The staff consists of an editor-in-chief, co-editors, artists, literary staff, and a chairman of circulation. In order to finance the publishing of *The Rim*, it is sold at 20 cents per copy.

Every year the top students of the junior and senior classes are elected to the National Honor Society. These excellent students fully deserve the recognition and honor given by this society. Scholarship, character, leadership, and service are the characteristics which distinguish these members. At the beginning of each fall semester officers are elected. Also at this time, four members are selected to speak at the assembly held later in the year. They speak on the four goals of the National Honor Society. Later, the names of new members are read to tense and expectant students. The honor received by the hard working members is great and will be long remembered.

Students meet high requirements of honor societies

The Spanish National Honor Society inducts students who are taking Spanish, have an "A" or "B" average, and who are recommended by their teacher. This organization tries to promote a better understanding of Spain and Spanish-American civilization. Miss Herschfield of the *Plain Dealer* gave a talk on South America, and Mrs. Honess gave a talk and showed slides on her trip to Mexico.

Although it is not a club, the members still enjoy such things as the annual Spanish dinner given in the Home Economics room and the traditional Spanish Christmas party, complete with Piñata.

Meetings are held on the last Monday of every month, and the induction ceremony is in the spring.

German Club is the largest language club here at Shaw, and it is noted for its annual Christmas Party. The members meet in Korb Lounge immediately after school where they find songs, films, and food awaiting them.

The club does not have regular meetings; the adviser, Mr. Van Galen and the club's officers only call for a meeting when they deem it necessary.

Foreign culture and civilization increase understanding

French Club helps students to further their knowledge of France, French customs, and cultures. The thirty members of the club meet monthly on Monday nights. The members of French Club enjoy seeing movies and listening to guest speakers. To earn money for the club, they sponsored a dance and held a bake sale in Korb Lounge. This year, at their Christmas party, they sang French carols and had a foreign exchange student from France as their guest.

Future Nurses Club assists girls in the choosing of a career in the health profession. At their meetings on the first and third Wednesdays of each month, the members plan various activities for the coming year. This year they took tours to Huron Road Hospital and to Mount Sinai Hospital. Speakers from Mount Sinai Hospital and the Central School of Practical Nursing inspired interest among the members.

The members of N.F.L.-Speech Club meet twice a month on Thursdays and combine efforts and ideas to meet their goals. They participate in speech tournaments every Saturday from October to March. Individuals are free to compete in such categories as debate, dramatic and humorous declamations, extemporaneous speaking, oratory, radio announcing, and poetry reading. They earn points for these competitive events toward National Forensic League Awards and recognition. Every year there is an L.E.L. Speech Festival. Students from L.E.L. schools met this year at Brush and gave demonstrations in debate, drama, and oral interpretation.

The club's purpose is to further interest and participate in competitive interscholastic forensic activities. An L.E.L. scholarship is awarded every year to a deserving N.F.L. senior.

To raise funds, the club holds bake sales and a dance and sells ads for football programs. N.F.L. Speech Club has a formal induction ceremony in the spring, and participates in the Prince of Peace Contest and the Rotary Club Speech Contest.

Friendship Club promotes fellowship

Friendship Club was organized in order to promote friendship among girls of all ages. Together they enjoy such social services as the annual pot-luck dinner, the Parent-daughter Banquet, the Spring Fashion Show, and the May Queen Dance. They also enjoy such charitable services as a Thanksgiving dinner for the poor and Christmas gifts to orphans.

The members also donate the earnings from their bakesale and car wash to charities.

and cooperation among Shaw students

Catalina members work for entertaining water shows

CATALINA CLUB OFFICERS—*Top:* Joyce Schultz, Vice-President. *Left to right:* Joy Siple, Treasurer; Sandy Clark, President; Chris Orrick, Secretary

CATALINA CLUB—*Bottom Row:* S. Gouger, S. Clark, J. Schultz, J. Siple, C. Orrick, J. Dunlap. *Second Row:* C. Curschman, R. Robbins, B. Leibert, D. Petrone, C. Shoenberger, D. Price. *Third Row:* B. Egan, K. Akiya, J. Dauchy, N. Pearse, J. Hamilton

This year's sixteen Catalina members chose "Show Stopper" for the theme of the annual synchronized swimming show. The girls meet Monday nights at 6:00 to practice their routines which were written on their own time.

The function of the club is perpetuating citizenship and cooperation in a club activity, as well as learning and perfecting skills. The ultimate goal of the group is to surpass the quality of the show of the previous year.

GUARD CLUB—*Bottom Row:* J. Siple, C. Orrick, R. Robbins, J. Dunlap, C. Curschman, M. Brass. *Second Row:* D. Lann, B. Pagon, D. Hood, R. Heaton, E. Brass, R. Mayberry

The members of Guard Club are all senior life-savers. They give their time guarding the pool for the adult and open swims Tuesday and Thursday evenings and Saturday mornings. The members meet once a week on Wednesday mornings before school in the lounge. They also spend much time reviewing and practicing their lifesaving skills.

Guards and leaders set examples for water safety

GIRLS SWIM LEADERS—*Bottom Row:* N. Pearse, S. Howard, M. A. Schamp, M. Clark, S. Clark, S. Humberstone, M. Moran. *Second Row:* B. Stevenson, L. Stepien, E. Sloan, C. Curschman, J. Dunlap, K. Madsen, J. Donovan, M. E. Barton, H. Caufield

The swim leaders have a great deal of interest in swimming and in helping others to learn to swim. They display great patience and helpfulness. They also aid teaching water safety skills and pool rules.

The Timer's Club consists of girls who take and record times at all home swimming meets. Other girls in the club help run the meets by score-keeping and promoting spirit. The girls also provide constant pep and support to the team throughout its season.

GIRLS' TIMERS—*Bottom Row:* C. Orrick, P. Thiele, L. Scharschmidt, D. Price, S. Vollweiler. *Second Row:* K. Madsen, J. Peckinpugh, S. Kraber, B. Leibert, J. Tobin. *Third Row:* M. Clark, D. Willison, J. Mann, D. Clark.

A few of Shaw's activities--a dance, elections, senior mums

The activities at Shaw High are many and varied,

but all one needs at times is that feeling of solitude

The excitement and gaiety of the May Queen campaigning and

Queen Bonnie Clark is being escorted by Mark Westcott and Chris Watters.

One of the final exciting events for seniors is the May Queen elections. Every senior can nominate the girl of his choice. After the votes are counted, the six girls receiving the highest number of votes are the candidates.

For one week there are committee meetings and campaigning, ending with the final day of skits and voting.

The 1966 May Queen, Bonnie Clark, was present with her court at Korb Lounge to crown the festivities. Bonnie's court consisted of Dardanella DiPetta, Betty Cathcart, Barb Blake, Candy Jones, and Cindy Scott.

Dardanella DiPetta, first runner-up, is accompanied by Bob Brown and her brother Jim DiPetta.

Second runner-up Barbara Blake is with her escorts Brian Sinclair and Doug Rose.

Katie Daniels reigns in 1966.

A crisp, clear autumn evening prevailed as the 1966 Homecoming Queen, Katie Daniels, was crowned. The excitement was evident among the undergrads as well as the seniors as Shaw beat Shaker 20-0. Katie and her court, Barbara Powell, Barbara Crysler, Carol Chernay, Linda LaRiche, and Michelle Lucas, reigned over their exuberant subjects at the dance that followed the game.

This is just part of the candy we sold in the spring of 1966!

WOW!

There was doubt as to whether or not the band's thread-bare uniforms could exist another season. Endeavors were made to obtain the collateral needed for purchasing new uniforms. The most fruitful of these ventures was last spring's candy sale.

In order to inspire more enthusiasm for the sales, prizes were given. From each class the three highest salesmen received a portable record player, a Polaroid Swinger Camera, or a Kodak Instamatic Camera respectively. Each homeroom that reached its quota was given a Coke and popcorn party. Television sets were given to two students whose names were drawn by Dr. Holderbaum. The high selling homeroom from each grade was rewarded with tickets to Severance Theater. \$50.00 was awarded to the teacher whose homeroom sold the most candy. One teacher was chosen from all those whose homerooms had reached their goals. The prize was a weekend vacation at the Holiday Inn.

With the support of the community, we were able to top the goal which was set. The band should like to thank all students, faculty and staff for enthusiasm and help.

This was another victory for Shaw.

As the years pass, friendships will be made and broken, strengthened and weakened. During their high school years, Shaw students experience the happiness and warmth of a friend with whom they can share ideas and events. As they grow older, their values and standards will change, and more rewarding, lasting friendships will be made. When the seniors graduate, most of them will be separated to pursue their individual interests. High school friendships may gradually become forgotten because of neglect. But those friendships which lie in the future can bring more new ideas and joyful moments.

From the planning in September and the unending toils in the months thereafter, my staff and I present our finished product. This long, long year, which really has been only seven months, is marked with suffering and success. There have been misunderstandings, bitter disputes, lost pictures, and many struggles against time. Many of the staff were inexperienced and hesitant; they had to be trained before any successful work could be accomplished.

We have made changes in order to produce a better yearbook, only to be raged at by discontented factions in the school. We have typed, proofread, re-typed, drawn and re-drawn layouts. (Who has my ruler??)

We worked some nights until 10:00 P.M., dragging ourselves home wearily in the cold. Many Saturdays have been spent trying to meet those deadlines. We were assisted by Coke, coffee, sandwiches, cookies, chicken legs, and WIXY 1260.

And yet, as the school year is ending, we can half forget the old drudgery of the previous months. We will always remember the sighs of relief as a section was completed, the refreshing effect of a cold Coke, the rain beating against the windows of our cozily warm office, and the wonderful feel of a full envelope of SHUTTLE subscription money.

Now, I wish to thank the many people who have helped us this year. My staff deserves many compliments; they helped me to create an organized yearbook from a chaotic mess. I should like to thank our representative from the Keller Company, Mr. Jack Landry, for his much needed guidance. Thanks to Mr. Schoen from S. K. Smith for his help in choosing our cover. We also wish to thank Raimor Photographers for their understanding, their assistance, and the lovely senior pictures. Ozzie Resch should be remembered for the "assembly-line" undergraduate pictures. I am especially grateful to Bruce Westcott, our student photographer, for his skill and patience; and to the administration, faculty, school secretaries, janitors, cleaning ladies, and the entire student body for their cooperation and understanding.

My staff and I must give very special thanks to Miss Crumbacher, SHUTTLE staff advisor. We owe far more to her than to anyone else. For many long hours she worked and guided us to a successful finish.

Sincerely,

Patricia Stevens
