Introduction

Go placidly amid the noise and haste, and remember what peace there may be in silence.

As far as possible without surrender be on good terms with all persons.

Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.

Avoid loud and aggressive persons, they are vexations to the spirit.

If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself.

Enjoy your achievements as well as your plans.

Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time.

Exercise criterion in your business affairs; for the world is full of trickery.

But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.

Be yourself. Especially, do not feign affection.

Neither be cynical about love; for in the face of all aridity and disenchantment, it is perennial as the grass.

Take kindly the counsel of the years, gracefully surrendering the things of youth.

Nurture strength of spirit to shield you in sudden misfortune.

But do not distress yourself with imaginings.

Many fears are born of fatigue and loneliness.

Beyond a wholesome discipline be gentle with yourself.

You are a child of the universe, no less than the trees and the stars; you have a right to be here.

And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul.

With all its sham, drudgery and broken dreams, it is still a beautiful world.

Be careful.

Strive to be happy.

Our Leader

We dedicate our 1978 yearbook to Mr. Richard Vlah, our eleventh and twelfth grade unit principal.

Mr. Vlah was born October 20, 1940 under the astrological sign of Libra. He and his wife, Patricia have three children — Steve - 9, Jennifer - 5, and Kathryn - 3. They reside in Chesterland, Ohio.

He attended West Geauga High School where he participated on the football and basketball teams.

After graduating from West Geauga High School, he enrolled at Miami University in Oxford, Ohio where he majored in Science. While there, he played on the football team. He later attended John Carroll University and received his Masters Degree.

Mr. Vlah's opinion of Shaw is that it is a large school that has a lot of nice students and provides a good education for all.

"Love"

Love is cool and sometimes sweet
But you'll never know
The next fool you'll meet

Love can also be cruel and sad
Love can leave you heartborken
And really mad.

You'll try to get revenge and
End up dead or maybe someone
will bust your head.

"Life"

Life is beauty
Life is grace
Life is out living
the human race.

Life can be good
Life can be bad
Life is the best thing
you ever had.

Life is love
Life is hate
Life is testing
each other's fate.

Life can be swing
Life can be a slide
Life can be
a very hard side.

Life can be fast
Life can be slow
But you'll never know
When it's your time to go.

Life can be rich
Life can be poor
But when you're dead
You're worth no more.

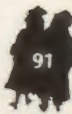

Both Poems were written by Herbert Wright

WORK

Few persons realize how much of their happiness is dependent upon their work, upon the fact that they are kept busy and not left to feed upon themselves. Happiness comes most to persons who seek her least, and think least about it. It is not an object to be sought; it is a state to be induced. It must follow and not lead. It must overtake you, and not you overtake it. How important is health to happiness, yet the best promoter of health is something to do.

Blessed is the man who has some congenial work, some occupation in which he can put his heart, and which affords a complete outlet to all the forces there are in him.

By: John Burroughs

What Is Black

Is Black just the color of
your skin

Is Black just drinking, party'n
and having a good time
NO!

Black is you, you as
an individual striving to gain
respect in the white-man's
world.

Not walking down the street
saying I am Black, I am Proud
I am Somebody

Instead of saying I am
Black and being nothing.
Be Black
Be Proud

But most of all be somebody
and hold on to your pride and
self respect and have that
answer to that never answered
question what is Black.

Attention!

WHAT IS RESPONSIBILITY

What is responsibility?
Is it something that every human being
Should take into consideration, or
Is it something that should be
An Obligation?

Is it faithfulness to something you have to do?
Or is it something that you throw behind and say you're through?

In order for a person to be responsible

The dictionary states

That these are the qualifications to which you must relate

Your Duty — A legal obligation

Your Obligation — the act of binding oneself by promise or contract with consideration.

Your trust — To have faith in someone you rely on

Most of all someone who you have to depend on.

This is all of the qualifications of Responsibility

Although you may not have the accountability

this is what happens to a club that has

People who are not responsible such as

The unfaithful members of the Shuttle Staff!

Dedicated to the Unfaithful
Staff Member from the Faithful
Shuttle Staff.
