IN MEMORIAM

On January 24, 1951, a heart attack took the life of Bill Nick, mathematics teacher at Shaw for twenty-one years.

Mr. Nick is remembered for his thorough command of and exacting standards for his science. In addition to his classroom work, he served as assistant football and track coach in his early years at Shaw.

This book is dedicated to the memory of Mr. Nick, whose passing is a great personal loss to former students and to the school.

FOOTBALL SONG

Black and red forge ahead
In the battles they have led,
When our Shaw boys come rolling along.
Back them up with a shout
That ten thousand throats give out,
When the Shawboys come rolling along.

Chorus—

Then it's high, high, hee, on to victory,
Shout out their praises loud and strong.

RAH! RAH!

They will fight, fight, fight,
With courage and with might,
See our Shaw boys come rolling along.

KEEP THEM ROLLING!

ALMA MATER

Sing with praise to old Shaw High School,
Glorify her name.
In the hall of school day victories
Shaw has won her fame;
While at war with grime Defeat
She learned to play the game
Glorify her name.

Sing with praise to old Shaw High School,
Sing with praise to old Shaw High School,
Alma Mater fair;
Sharing sadness, offering gladness,
Tendering every care.
Teachers, students, fathers, mothers,
All in tribute share.
Sing with praise to old Shaw High School,
Alma Mater fair.

JANUARY COMMENCEMENT

Thursday night, January 25, 1951, marked another milestone in the lives of the ninety-seven mid-year graduates. As usual, the January commencement was presented in the W. H. Kirk Junior High School auditorium. The program was presided over by Dr. O. J. Korb, Superintendent of the East Cleveland Schools.

The processional, "Pomp and Circumstance," was lead by two 12B girls, Marianne Rothaas and Nancy Williamson. The Shaw orchestra played under the direction of S. Robert Fraser. Rev. Henry C. Giunta, Pastor of the Church of the Holy City, gave the invocation.

The Shaw choir under the direction of Miss Margery J. Shields sang "O Sing Your Songs," "Deep River," and "One World." The address, "The Certainty of Uncertainty," was delivered by Dr. John S. Millis, President of Western Reserve University. Mr. Blough make the presentation of the class, and George N. Nelson, President of the East Cleveland Board of Education, presented the diplomas to the graduates.

ADMINISTRATION
AND
FACULTY

DR. O. J. KORB

After receiving his Doctor's degree at Western Reserve University, Dr. Korb accepted a position at South Euclid High School where he taught for a year. He then became the Superintendent of Schools for South Euclid. Nineteen years later he was offered the job of Superintendent of East Cleveland Schools and fortunately for us he accepted the position, which he holds today.

The first things one notices on meeting Dr. Korb are his friendly smile and his brilliant blue eyes which seem to twinkle and hold a great store of knowledge.

In the management of the school system, Dr. Korb's aim is to make each student a better citizen in the community. He tries to give everyone an opportunity to develop as far as his own ability will allow.

BOARD OF EDUCATION

Left to Right—Mr. Laurence B. Keith, Miss Nemeč, Mr. George Nelson, Dr. O. J. Korb, Mrs. Mariem S. Morgan, Mr. Karl Brown. *Not pictured*—Mr. Cecil Stonebraker.

MR. WAYNE C. BLOUGH

Ending his third year as principal of Shaw, Mr. Blough has administered a big change in the school's educational system. This change is the fifty-five minute period, seven-period day, and the elimination of all minor subjects. Mr. Blough thinks highly of this system and remarks, "The longer periods give students necessary supervised study; if subjects are important enough to be taught in a high school they should be major subjects."

Mr. Blough received a Bachelor of Science degree at Wooster College, where he graduated in 1929, and a Master's degree from Ohio State. His two sons, Jim and Jack, are now attending Wooster, while his daughter, Nancy, is in the eighth grade at Kirk.

BOARD OF EDUCATION

The East Cleveland Board of Education meets regularly at the Board of Education rooms on the second Monday of every month. Their meetings except for the executive sessions are open to the public.

A few of their duties are to provide for the maintenance and operation of the schools. The Board of Education adopts the rules and regulations to govern both the employees and students. There are four advisory committees: education, welfare and public relations, business, and finance. The superintendent makes reports concerning the needs, conditions, and efficiency of the schools.

The present members of the Board of Education are Mr. George N. Nelson, President; Mrs. Marian S. Morgan, Vice President; Mrs. Karl N. Brown, Mr. Lawrence B. Keith, and Mr. Cecil S. Stonebraker. Dr. O. J. Korb is the Superintendent of Schools.

MR. NELSON F. LEIST

Mr. Leist came to Shaw High School from Marietta High School, Marietta, Ohio. In 1947 he was appointed assistant principal and dean of boys. This appointment came after he had served as head of the commercial department for nineteen years. While in the commercial department he taught law and bookkeeping; he was also in charge of all ticket sales. Mr. Leist now has charge of Shaw stadium.

The boys have become very well acquainted with Mr. Leist in the last few years, as it is necessary for them to go to him for absence and tardy excuses. The attendance records for the entire school are kept under his supervision.

After Mr. Leist puts in a full day at Shaw he finds time to help plan signs and the seating arrangements for the National Air Races. He also plays golf and is a very good bridge player. You will find Mr. Leist at most school activities.

MISS PROVO

Miss Lucille Provo has become well acquainted with every Shaw girl since her arrival three years ago. Before coming to Shaw to serve as Dean of Girls, she taught home economics at Patrick Henry for one year and at Shaw for four years. She then became head of the home economics department at Kirk Junior High School where she taught until her recent return to Shaw.

Miss Provo's duties including checking the girls' attendance and uniforms, teaching home economics classes, and helping girls with their personal problems. Last year she was made co-sponsor of the College Club.

Although Miss Provo is kept busy with her work at school, she also finds time occasionally for such hobbies as needlework and coin collecting.

MR. HUNTER

As Guidance Director Mr. Howard K. Hunter is known to every Shaw student. Since coming to Shaw in 1915, he has given friendly advice to students concerning their high school courses and their futures, whether they involve jobs or colleges. He sends transcripts of high school work to colleges and makes arrangements for the students to meet representatives from the various colleges.

Mr. Hunter is the last authority on graduation credits and his duties also include conducting tests, such as the Ohio State Scholarship Test. His responsibility for the student does not terminate with graduation, as he is also frequently called upon to give information and make recommendations for jobs.

In addition to these and numerous other duties, this busy man has recently added that of co-sponsor of the College Club to his list. He has done much toward putting this club on its feet during its first full year.

LIBRARY STAFF

Every semester students are required to give book reports or to do the necessary library work for English. When these requirements are being fulfilled the library's catalogs, reference books and reader's guides are in frequent use. Since the periods have been lengthened the burden on the librarians has been lifted a little.

A librarian at Shaw for 15 years, Mrs. Lillian Clark is consulted by all for different types of material.

Her two assistants are Miss Jean Applegate and Mrs. Barbara Ferris. Miss Applegate from Bremen, Ohio, went to Ohio State and Western Reserve. Mrs. Ferris graduated from Mather and did her practice teaching at Kirk.

Mrs. Barbara Ferris, Mrs. Lillian Clark, Miss Jeanne Applegate.

OFFICE STAFF

Left to right—Miss Craine, Mrs. Kline, Mrs. Hoge.

MAIN OFFICE STAFF

Few people realize the amount of work done by the office staff. A large percentage of the important school work goes through main offices and is expertly handled by Miss Crane, Mrs. Hoge, and Mrs. Kline.

In addition to being Mr. Blough's secretary, Mrs. Hoge takes charge of managing the routine of the office. Mrs. Kline is in charge of supplies ordered for the school.

To help Mrs. Hoge and Mrs. Kline there are two monitors in the office every period. They take messages, answer the telephone, and take care of people at the counter.

All six-week grades pass through the office before they are sent to the various homeroom teachers. Another interesting fact is that the records of every student who has ever attended Shaw are filed away in the basement.

Miss Crane, who assists Mr. Leist in the attendance office, keeps the attendance records for both the pupils and teachers. She makes out the weekly report for the superintendent and the monthly report for the state. She also helps with the scheduling.

There is a monitor to help Miss Crane every period except the fifth. First and second period there are two monitors.

HE WEARS A UNIFORM TOO

Everyone at Shaw recognizes the gray uniform worn daily by our head custodian, Mr. Dominic Petti. Mr. Petti has been at Shaw for three years; he and his men have been doing a wonderful job keeping Shaw High in condition.

The heating system at Shaw heats both Shaw and Prospect. This heat is circulated through air ducts, and is blown into the classrooms by three fans leading into different parts of the building.

The heating of the schools is controlled by Mr. Petti, a licensed fireman, for there is a great deal of responsibility connected with the heating of the school.

Mr. Petti has six very capable men working with him who handle the job of cleaning the school. These men are Sam Daniels (head cafeteria custodian), Norman Deason, Arthur Carmosino, Mike DeSanto, Nicholas J. D'Amato, Carl Carlson, and Sam Petrucci; these men have certain jobs to do, and come in at different hours during the day, this way someone is always here when you need him.

LET'S EAT

When you become completely famished around noon your thoughts turn toward our cafeteria.

Served to you by the women under Mrs. Ruth Kerr's supervision, the food is especially prepared to please student and faculty alike.

Mrs. Cowan and Mrs. Emma Lass serve the finished product, while Mrs. Mabel Carlson, Mrs. Marie Crawford, Mrs. Pearl Donibi, and Mrs. Margaret Stahre (head cook), prepare the meals.

Cashiers are Mrs. Sylvia Whalley, Mrs. Mary Brandt, and Mrs. Bridie Murray.

Finally the dishes are cleaned and thoroughly washed by Mrs. Betty Criner, Mrs. Margaret Miller, Mrs. Ruth Brockway, and Miss Alice Munro.

ACTIVITIES

STUDENT COUNCIL

The Student Council, a symbol of student participation in the management of Shaw High School, is the promoter of numerous school activities. The council consists of its four officers and one representative from each homeroom. The officers for the first semester were: President, Lois Radomsky, Vice President, Bob Gibson; Secretary, Susan Struggles; Treasurer, Dave Baumgartner. Second semester officers were: President, Dan Ferensen, Vice President, Susan Struggles; Secretary, Joe Lee Fuller; Treasurer, Tom Kissack.

Each officer of the Student Council has certain duties which he must fulfill. The President presides at all council meetings and general assemblies and head the executive committee. The Vice President is in charge of the monitor system, a very important function in our school. The Secretary records the minutes of the Student Council meetings and attends to all correspondence. The Treasurer keeps and accurate account of all the Student Council funds and gives regular reports of its financial status.

Once every year the Council has an "evening out." This year 28 members of the Council had dinner at the Southern Tavern and then saw the comedy, "Harvey," at the Playhouse.

The Student Council itself, performs several duties for our general benefit. It supervises the game room, selects the noon movies, operates the Lost and Found, conducts morning broadcasts having a Student Council member appointed broadcaster for a period of two weeks. Thus the Student Council gives to the students practical experience in self government.

ASSEMBLIES

QUEEN AND ATTENDANTS

FOOTBALL QUEEN

The climax of a spirited campaign came when Roger Sauer, President of National Honor Society, announced the election of Marlene Tartaglia as queen and Nola Guerin and Joanne Becker as her attendants at the annual Heights rally, November 10. He then presented Marlene with a golden crown and the Sophisticates gathered around her and sang, "A Pretty Girl Is Like a Melody."

That night Marlene and her two attendants were driven to the Shaw grandstand in a sleek black convertible and presented to the fans. From there they were escorted to the pressbox to watch the game.

Candidates for the honor and their managers were: Joanne Becker, Dave Trump; Betty Fleischer, Chuck Hard; Shiela Ganey, Bob Gibson; Nola Guerin, Dick Baumgartner; Carol Helmerichs, Dave Baumgartner; and Marlene Tartaglia, Herb Luxenburg.

FRIENDSHIP CLUB

Though Shaw's Friendship Club dropped its membership from the Y this semester, the members have enjoyed many interesting programs arranged for them by the program chairman, Joan Schecter. These included a fascinating style show given by the Fashioner School for Models, a splash party, a mother-daughter tea, and the traditional pot luck supper in honor of the graduating seniors. An Easter party for the orphans at Beachbrook Home, a trip to Jones Orphanage, and a Hallowe'en party at the Rosemary Home for Crippled Children were just a few of the interesting projects done by the Service Club headed by Kay Howard.

SOPHOMORE FRIENDSHIP CLUB

A swimming party, a middie sale, and a mother-daughter tea were some of the many events sponsored by Sophomore Friendship Club.

This club last year was included in the Senior Friendship Club, but the two clubs split to give more girls an active part.

Cabinet meetings are held every other Wednesday, alternating with large meetings. The girls on the Cabinet were chosen by the Senior Cabinet and Sophomore Representatives.

Sophomore Friendship is sponsored by Mrs. Ayleen Morley. First semester's officers were: Janet Kathe, President; Phyllis McCarter, Vice President; Nancy Marrone, Secretary-Treasurer, and Jill Dennison, Program Chairman.

NATIONAL HONOR SOCIETY

To be elected to the National Honor Society is the hope of many ambitious 11A, 12B, and 12A students. Membership into this organization is granted to qualifying students who rank in the highest quarter of their class.

Every former teacher of an eligible candidate grades him in regard to character, leadership, and service. The scholarship records of the students are obtained from the office. On the basis of these reports new members are chosen by the committee of teachers examining these candidates. Mr. H. L. Naragon is the faculty member in charge of the organization.

The assembly for the induction of new members is the major event of each semester. Members provide a speaker for this occasion.

Officers for the first semester were: Rodger Sauer, President; Lois Radomsky, Vice President; Jackie Hunt, Secretary; Barbara Korponic, Treasurer.

HI - Y

Hi-Y plays an important part in the lives of many Shaw boys. The six chapters in the Shaw Hi-Y are Amigos, Argus, Delphi, Halcyon, Mazda, and Tala. These chapters have their own football and basketball teams which compete with each other. This year Amigos had the best football team. Halcyon had the best basketball team. Besides football and basketball, there are many other sports activities, such as game tournaments, swimming meets, track meets and baseball. Hi-Y sponsors dances, and the various chapters have hayrides and barn parties.

The first semester officers of Hi-Y were: President, Bill Gaines; Vice-President, Danny Kramer; Secretary, Chuck Rainger; Treasurer, Barney Miller; Chaplain, Bruce Reeves.

CHEERS

Shaw's girl cheerleaders have spent many hours in the past year practicing and perfecting cheers. With the help of Mr. Thomas, the varsity cheerleaders have cheered at all the football games and most of the basketball games. They also have done much in the field of acrobatics using splits, cartwheels, and flips in many of their cheers.

BAND

Under the direction of Mr. S. Robert Fraser, the Shaw Band has completed another busy year. Meeting seventh period each day, the members practice for such events as rallies, games, assemblies, and concerts. They are now occupying their new location on the second floor of the technical building, having moved from the annex last fall.

A few of the Band's performances included the Bonfire Rally, the annual Spring Concert at Kirk Junior High School, and the Charity Football Game last December where they presented a memorial service for the late Mr. Milton G. Niergarth, director of the Shaw Band from 1924 until April, 1950.

ORCHESTRA

The orchestra played the "Snow White Fantasy," a special arrangement of "White Christmas," and "At Christmastide," a sequence of classic Christmas carols at Shaw's annual Christmas program. It also entertained at Armistice Day assembly, the Charities assembly, Open House, the two commencements, and the Spring Concert.

"The Egmont Overture," "Roumanian Rhapsody No. 1," and selections from "South Pacific," and "Show Boat," are other pieces that the orchestra has practiced.

Mr. Robert Cronquist, a student teacher from Western Reserve, has been assisting Mr. Fraser. This year the orchestra has a special period in which to practice. In addition over half of the members are giving up part of their lunch period in order to play in the orchestra.

The officers are Dick Baumgartner, President; Chuck Kraus, Vice President; Mary Henry, Secretary; Margy Rice and Joanne Becker, Librarians; Susan Struggles and Jim Snavelly, Wardrobe.

SOPHISTICATES AND STRING ENSEMBLE

The Sophisticates, Shaw's new singing group, were organized last year. Their purpose was to provide a small instrumental group to take out for performances which did not call for the whole choir.

The Sophisticates have entertained at many affairs, some of their being: Kiwanis Talent Show, TV Block Party, Chambers P.-T. A., Tarpon Club, Shaw P.-T. A. Christmas program, and for a blind group at the Sirocis Club.

When they were first begun they went under the title of Shaw Swing Group. Later, however, at the Kiwanis Talent Show, they adopted their present name, the Sophisticates. Membership is limited to eight plus the accompanists.

The String Ensemble was also formed last year although it actually started at Kirk and was just re-organized last winter. The Ensemble was started in answer to numerous requests and calls from local civic groups for dinner music at their meetings.

Their engagements have been quite varied. They include: Open House at the East Cleveland Baptist Church, Shaw High football banquet, Y Mother and Son banquet at the Church of the Cross, and the Friendship Pot Luck Dinner.

Their instruments, which are of course all stringed instruments, are violins, viola, cello, and bass.

CHOIR

The annual Christmas program was given December 20th; the choir took part by singing the following beautiful songs: "Christmas Tree," "Let All the Nations Praise the Lord," "Winter Wonderland," "Jingle Bells," "Break Forth O Beauteous Heavenly Light," and several familiar carols. Martel Lowden sang "Beautiful Savior." Mrs. Thomas, who wrote "Christmas Tree," was also the author of "Song of Yesterday." Miss Shields, the new choir director, wrote the arrangements for "Christmas Tree."

Other choir engagements were at the Community Council, Halle's, and the East Cleveland Library's Christmas program. The newly formed Sophisticates entertained at the Sorosis Club, Chambers P.-T. A., and the P.-T. A. Christmas program.

Miss Shields also handles the Kirk choir and the singing groups at the East Cleveland elementary schools. The accompanists this year are Jim Austin, assisted by Donna Renton. The officers are: President, Herb Manton; Vice President, Ann Rogers; Secretary-Treasurer, Ruth Gerstenberger; Librarians, Nola Guerin and Ronny Torrence; and Wardrobe, Roberta Apple and Dianne Rowles. Two hard working boys who deserve recognition are Ken Holl and Henry Francis. Every third period they come in and set up the choir, pass out the music, and anything that needs to be done.

THE DRAMATIC CLUB

Ever since Shaw has had an auditorium, there has been a dramatic club. For nearly fifty years this club has been open to all students interested in dramatics, whether in acting, working behind stage, or merely watching plays.

This year the play production class, which meets second period each day under the direction of Miss Lois Dean, presented a play entitled "The Solution." Try-outs were held for another play, "Nobody Sleeps," which was presented at one of the regular Thursday afternoon meetings.

The dramatic club also sponsors both January and June Class Day Exercises. This year's officers were:

President	-----	Jim Austin
Vice President	-----	Jill Dennison
Secretary	-----	Nola Guerin
Treasurer	-----	Budd Lemmerman

THE STAGE CREW

Behind the stage at every assembly or program, the stage crew is at work. This group meets as a class seventh period daily under the direction of Miss Lois Dean and does anything from scrubbing floors to building sets.

Some of the duties of this group are operating lights, painting and putting up scenery, and taking care of stage props. The girls in the class have charge of the costumes, upholstering furniture, filing and typing scripts, art work, and hunting for hard-to-find props.

This year's stage manager was Art Parker, who has been on the stage crew for three years. Elver Stone has also completed his third year with the group.

VISUAL EDUCATION

The Visual Education Department was divided into two groups last year. The noon movies were supervised by Mr. George E. Todd, while the classroom films were under the supervision of Mr. Alfred Dolan.

During the lunch period the movies were shown by Charles Kraus and Donald Rushin. These boys ran the sixteen millimeter projector which is owned by the school. The student council selected the films shown at noon. Usually they lasted about eighteen minutes.

John Smith operates the morning broadcast while the others run the sixteen millimeter projector, the slide machine and the lanterns. These people also operate the wire recorder.

The boys, while seeing many different films, also learn to set up and operate the various projectors which gives them experience outside the regular curriculum.

JUNIOR COUNCIL ON WORLD AFFAIRS

"The aim of the Junior Council on World Affairs is to discuss the problems which are confronting the United Nations and the world," remarked Elaine Katz, President of the club.

Under the direction of Miss Lois Crank, the Council held weekly meetings, where discussions of such problems as Capitalism versus Communism, the Korean Situation, the United Nations' Flag Code, and Women's Rights took place.

The greatest achievement of the club, since its existence, was the purchasing of a United Nations' flag for Shaw. The flag, in certificate form, was presented to the President of the Student Council at this year's Armistice Day program.

"World Affairs Are Your Affairs" is the motto of the Junior Council. This is well lived-up-to by the club, which has considered most of the important issues or problems which the world faces.

Vice-President Tom Marshall, and Secretary-Treasurer Judy Keller have helped to guide the group along with the President and the Advisor.

CARDINAL'S NEST

Records; Dancing! Ping pong! Cards! Checkers! Shuffleboard; These things constitute only a part of the fun available during the lunch periods and after school in Shaw's new recreation room.

The game room was set up by a committee of the student council in September of 1949. The founders were Jack Reulbach, Carolyn Miller, Sue Struggles, Tom Litwiler, and Duane Gerasmos. Al Gray gave this place of recreation its name, "the Cardinal's Nest."

A two-cent ticket buys a student a period full of recreation and enjoyment. Besides the music and games, are exchange papers from other schools in the city and the country, popular magazines, and a bulletin board containing news and current events from the school that would be of interest to all.

The committee this year decorated the walls of the room with group pictures of the Shaw football and baseball teams throughout the years.

The Cardinal's Nest is also the meeting place of many of the school clubs and all the student council meetings; it serves its purpose for the All-School parties, and houses the Lost and Found.

The game room committee of the student council is in complete charge of new records and equipment.

When this room was built, the student council office was moved to an adjacent room. Every period the monitor captain can be found in the office.

W H I R L O

Although Shaw's Whirlo was originally started to promote roller skating, it has recently been expanded to include bowling. The club, which is under the direction of Miss Harriet Carpenter, has entered two teams in competition with other Greater Cleveland Whirlo Clubs.

The two teams bowl every Tuesday at the Trianon. They are captained by Dolores Mansky and Lettie Daniels.

Skating day is every Thursday at Skateland. There is also an annual dance and banquet sponsored by the Greater Cleveland Whirlo Clubs.

Points are given for attending meetings and participating in all events. When 350 points are acquired the member is rewarded with a large felt emblem.

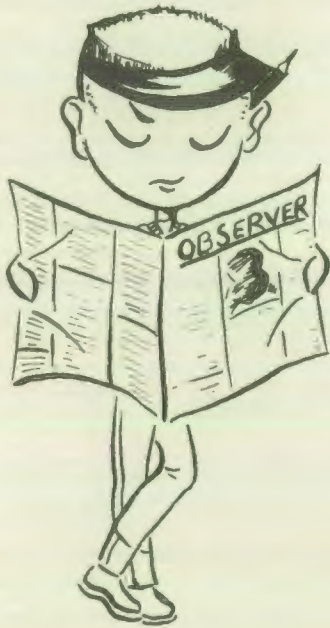

The club officers were Dolores Mansky, President; Lettie Daniels, Vice President; and Marlene Thomas, Secretary-Treasurer.

Although roller skating is popular with both girls and boys, Shaw's Whirlo has no boys this year.

OBSERVER

"I need a typist," shouts Sharon Sedwick, editor-in-chief. "Headline writer please," Roberta Hoff, news editor blurts. "If someone doesn't write a story on the boy of the month," Elaine Tepper, feature editor calmly states, "we will have a three column third page." Tom Litwiler, sports editor, tries very hard to get a story about the swimming meet while writing a story on the last basketball game.

The four editorial heads of the "Shaw Observer" are aided by Sally Forkapa on business staff, John Bryan, head of circulation, and Tom Polen, exchange editor.

The staff includes copyreaders, typists, headline writers, story writers, and proofreaders.

All can be found in room 9 every Thursday before the publication of the Observer. The faculty advisor is Mr. Hubert McNeill.

INTRA-MURAL BASKETBALL

This year Shaw began its second year of intramural sports. The program was supported with more enthusiasm than in its initial year.

Eight basketball teams were organized into a league, with some 60 boys participating. All Shaw boys, except the varsity and the junior varsity athletes, are eligible to play.

After winning eight straight games, Barney Miller's 12B team lost their last regular game, forcing them to have a playoff for the championship.

When the championship game was over, the Miller's had won by the score of 55-15. The boys on the team were: Barney Miller, captain; Barney Apthorp, Warren Fresenko, Bob Gibson, Jack Leuschel, and Wally Lojewski.

The high point man in the league was Walt Lojewski, who scored 151 points in ten games. Roger Schmidt was second with 101 points for the season.

FOOTBALL

With the help of fourteen returning lettermen, the 1950 Cardinal squad, consisting of 35 players, had a very successful season.

The first game of the season with East was played to a tie, 19-19. Collinwood also battled the team to a standstill, 7-7, in the next game.

Shaw was able to whip a good Euclid team by the score of 34-7 in the next game. The contest featured the passing of Danny Kramer to his ends, Bob Gibson and Duane Gerasimos, and the long runs of Gene Patti.

With one victory to their credit, the Cardinal eleven outscored Shaker 19-13. In this game, Ken Horton intercepted a pass and ran 65 yards to score a touchdown for Shaw.

The following week Shaw was the host to a powerful Lakewood team, which was touted to have no trouble at all in beating Shaw. At the end of the first half, Lakewood led by the score of 25-6. In a thrilling second half, an inspired Shaw squad rallied to score 19 points but lost the game in the last 50 seconds by the score of 31-25.

After this defeat, the Cards traveled to Fremont, where they whitewashed the Fremont team, 14-0. Both of the touchdowns were scored by Gil Santoro.

Shaw then had to play a strong Lorain team, one who had only one previous defeat. But when the game was over the Shaw High Cardinals had beaten the Lorain team, 7-6.

With the brilliant defensive work of Tony Gilberto and Ed Alemagno, the line plunged, and the passing of Danny Kramer and Gil Santoro, Shaw was able to wallop their traditional rival, Heights High School, by the score of 12-7.

For their outstanding play during the season, Ed Alemango, Duane Gerasimos, Danny Kramer, and Gil Santoro were elected to the All Lake Erie League Team.

COACHES

Last year the football teams of Shaw High School were coached by Head Coach Robert Cawrse, and his assistants, Robert McGraw, Wayne Caroff, and Harry Aitken.

Mr. Cawrse, who replaced Mr. Patton as head football coach, played for two years on the Lakewood High School team. He was also the center for the Baldwin-Wallace team for three seasons or thus earning himself three football letters. Before coming to Shaw, Mr. Cawrse coached the Maple Heights team for six years. During this time the Maple Heights team won 33 games, lost 14, and tied 5.

Mr. McGraw, who assists Mr. Cawrse in the training and coaching of the varsity squad, also attended Lakewood High School, where he played on the football team. He later quarterbacked the John Carroll University squad.

Mr. Aitken and Mr. Caroff coach the sophomore team. Mr. Aitken, who is a graduate of Muskingum College, came to Shaw from a similar job at Medina High School. Mr. Caroff, who shares the coaching duties with Mr. Aitken, graduated from Teachers College in Indiana, Pennsylvania, where he played both tackle and guard.

Although the Shaw squad finished fifth in the Lake Erie League, the members of the team receiving seasoning which will be of value next year. The team lost six of its seven games, although four of the games were very close.

Al Sebransky, who played halfback, led the team in scoring.

The Captain of the team was selected each week as were the Varsity captains. Each week six Junior Varsity boys became temporary members of the Varsity team for that week's game.

This year 23 of the boys will receive their numerals and will probably advance to the Varsity team next year.

Due to mid-year graduation, Shaw lost three good players. They were Ed Detering, Duane Gerasimos, and Tony Gilberto.

With the season half over, the Shaw quintet won five consecutive games. They defeated Shaker, Lorain, University, Elyria High Schools and Western Reserve Academy.

In the Euclid Tournament, Shaw won their first two games against Brush and John Adams High Schools but lost to Ashtabula High School by the score of 54-39.

Don Sexton, who played center or right forward, led the team in scoring. He piled up 243 points through the entire season for an average of 13 points per game. Don Kramer was second with 149 points, and Lloyd Wittenmeyer was third with 147 points.

BASEBALL

Last season with the superb hitting of Dick Fort and the splendid pitching of Tony Berohn, the Shaw High Cardinals finished first in the Lake Erie League.

After winning the first five consecutive games the Cards dropped one to Elyria. The next game they lost was a heartbreaker, with Lakewood forging ahead in the last inning. Then the team went on to win nine more games and to lose two, thus finishing the season with a record of fourteen wins and four losses.

Our team piled up a total of 68 runs during the season and had a team batting average of .223. Dick Fort smacked out three homers and two triples and led the team in individual batting averages. Al Gray stole eight bases, leading the team in that department.

Tom Meinhardt was the district runner-up in the singles. As a result he went on to the State matches.

This fall the Cards had a very successful seasons, finishing second in the Lake Erie League. They won three matches and were shaded by Shaker High School to give them their only loss in this year's Lake Erie League competition.

SWIMMING TEAM

With only two of last year's lettermen, Bill Gaines and George Hanna, the Shaw High swimming team was able to win three dual meets against St. Ignatius, Thomas Edison and Euclid High Schools. They also placed fourth in the Lake Erie League meet.

In the Lake Erie League meet, which was held at the Fenn College pool, Mark Morris, who is the outstanding swimmer on the team, tied the Lake Erie League record in 200 yard freestyle and broke the Lake Erie record in the Individual Medley. Several other swimmers participated in the league meet. They were: Roger Ashton, Bob Beatty, Lowell Bonfield, George Hanna, Charles Hagbert, Phil Hamilton, Larry Meyers, Larry Smith, Gene Reeser, and Charles Uber.

At the State Meet in Columbus, Mark Morris won the Individual Medley, thus becoming State Champ, and placed fourth in the 200 yard freestyle.

Mark accumulated more points during the season than any other swimmer in the history of Shaw High School.

With only six lettermen and thirteen newcomers reporting for track, Coach "Doc" Vivian proceeded to develop an above average track team.

The team placed third in the Lake Erie League meet. In this meet Dudley Uphoff was the only member of Shaw's team to place first in any event. He won the half-mile run.

For the season Bob Harmon was the team high point man with 85 points. Chuck Kraus was second with 57.

Last year six Lake Erie League High Schools participated in a grueling two mile race. Thirty-five boys entered the race which was run through Forest Hills Park. Seven of these boys were from Shaw. They were: Roger Ashton, Frank Gome, Kenneth Houghland, Galen Mack, Dudley Uphoff, and Russell Wolf.

Lakewood took first place while Shaw placed fourth.

AFTER THE GAME

The Shaw High Canteen is playing an important part in the lives of Shaw students. Three years ago the canteen was opened to Shaw students on Saturday nights to provide entertainment, which included both dancing and a floor show. It has expanded greatly and is now in operation every week, giving way only to school activities.

This year the canteen opened with the football season, providing a place for both friend and foe alike to dance, get acquainted and see entertainment, all in one place.

The entertainment is usually selected from the students of Shaw or alumni. Music has been by recordings, but just recently an orchestra was tried and proved very successful.

A meeting is held every week at one of the homes of the 16 members. They plan dances and larger affairs, such as Hobble Gobble Hop at Thanksgiving, New Years and Valentine Day Dances and many others. Also there is an Advisory Board which consists of Mr. Blough, Miss Provo, Mr. Hunter, Dr. Meyers, Karl Brown and "Buck" Weaver, the chief of police.

November officers were: Dan Kramer, President; Don Sexton, Vice-President; Sheila Ganey, Secretary; and Tom Greenland, Treasurer.

The Athletic Council is made up of fifteen girls. These girls are chosen by the previous council for their ability, interest, and leadership.

The council's main purpose is to promote better sportsmanship, bring the girls closer together and to generally interest as many girls as possible in sports.

The council sets up schedules for such sports as volleyball, baseball, basketball, outdoor sports, indoor sports, horseback riding, swimming, bowling, and many others. In this way there is a large variety for the girl to choose from. Usually three or four of these activities are going on the year round.

The council also plans sophomore parties, Army-Navy and Yale-Harvard games. Play-Days and additional events to add even greater enthusiasm to not only its participants, but the whole school.

G . A . A .

The Girls' Athletic Association was established to promote and stimulate interest in girls' sports. Through this organization teams are formed and schedules for each of the sports are set up.

For participation in each sport points are received. Three awards are given by accumulation of these points, the small "S" received for 350 points, the large "S" received for 700 points and the highest award, the pennant, received for 1000 points.

These awards are given not only to interest more girls in the advancing world of sports, but to give recognition to those girls who spend much of their time and effort working to make a better Girls' Athletic Association for those who will follow them.

MODERN DANCING

Amid groans and complaints of aching backs, the three modern dance groups meet every Monday after school and Friday first and second periods.

The groups are supervised by Miss Alice Juringus and her two assistants, Ann Louise Leist and Betsy Townsend.

In class, leaps and steps are perfected into creative dances. The dances are done to the beat of the drum or piano which instills a sense of grace, rhythm, and poise in the girls.

The dancers performed at the annual open house in their leatards.

Like most other G.A.A. activities, 75 points are given toward an "S" for one semester's work.

LIFE SAVING

This year twenty-five girls completed the Red Cross life saving course taught by Miss Alice Juringus with Lois Rhods assisting. Before the lessons started each girl had to swim ten lengths of the pool. The class, which met every Thursdays after school during the spring, learned the various holds, approaches, and carries necessary in making a water rescue. An essay on artificial respiration was also required for this course. At last the final tests were taken with Tom Parham serving as the victim.

Those who received their junior badges were: Gail Ranney, Ann Roper, Roberta Wallace, Nancy Williamson, Rosemary Zahner, and Terry Tucker.

Senior badges were given to Joanne Becker, Diane Benjamin, Mary Ellen Brophy, Alice Cameron, Jean Collmer, Mary Hoffman, Nancy Hood, Jackie Hunt, Evelyn Kiraly, Marlene Knoph, Ruby Laubaugh, Sally Marsh, Linda Mehnert, Dolores Owen, Mary Parsons, Dorothy Polk, Janice Wilson, and Lois Rhodes.

These girls are now eligible to guard at any pool under Red Cross regulation.

TARPON

Tarpon Club meetings, under the guidance of Miss Alice Juringus, are held in Shaw pool to promote the mutual swimming interests of the girls.

At the end of every semester tryouts are held in which the candidates for membership take a difficult swimming test, supervised by the tarpon members. They are graded on their ability to perform the various requirements. At a meeting, the members vote and the girls who passed the test with the highest number of points are invited to join. At their initiation, the new members present informal water skits followed by a formal candle-light ceremony.

New officers are elected each semester at a pot-luk supper. The fall semester officers are: President, Carolyn Miller; Vice President, Betty Fleischer; Secretary-Treasurer, Evelyn Kiraly.
