X. Fiscal Officer's Report

Fiscal Officer Report
Ross A. Cockfield, Fiscal Officer
December 2015

The East Cleveland Public Library closed the year with total cash fund balances of $831,930.80. For the year General Fund revenues exceeded expenditures by $108,396.12. General Fund and Capital Projects expenditures stayed within appropriated limits of $2,547,809 and $200,000 respectively. General Fund expenditures represented 92.095% of appropriations while Capital Projects expenditures represented 66.482% of appropriations. Fiscally, 2015 was a stabilizing year and was used to identify and correct the Library's most pressing problems. As such, the following can be highlighted:

- The Uniform Accounting Network software (UAN) has been fully implemented.
- Accounting procedures have been implemented to insure a smooth flow of transactions and payments to vendors.
- Our accounting system was restructured to accommodate program codes and more comprehensive reporting.
- ADP services have been employed and integrated to assist with time and attendance tracking and payroll.
- Financial reporting is now both timely and accurate.
- Library credit confidence has been restored.
- Banking services are in place to assist with future growth.
 Needless to say we will continue to monitor our procedures to better improve the processing, analysis and reporting of our financial data.

As I’ve mentioned, this year we’ll be implementing a cost system as a further measure to track costs and improve cost control while keeping an eye on improved public service.

I’ve submitted our Temporary Appropriations ($2,296,945.93) – which were passed by resolution December last year - as well as our revised Amended Certificate of Estimated Resources to the County Budget Commission. Total 2016 estimated resources which include 2015 carry forward fund balances are being reported as follows:

<table>
<thead>
<tr>
<th>Fund</th>
<th>Total Estimated Resource</th>
</tr>
</thead>
<tbody>
<tr>
<td>General Fund</td>
<td>$2,643,933.05</td>
</tr>
<tr>
<td>Capital Fund</td>
<td>$317,526.48</td>
</tr>
<tr>
<td>Flewellen Fund</td>
<td>$18,748.60</td>
</tr>
<tr>
<td>Performing Arts Center</td>
<td>$2,455.00</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$2,982,663.13</strong></td>
</tr>
</tbody>
</table>

Total appropriations cannot exceed total estimated resources.

In keeping with the Board’s interest to provide transparency in public reporting we’ve signed up and have submitted our 2014 data to the State of Ohio OhioCheckbook.com public reporting website. Specifically, our 2014 payment register and our 2014 Cash Fund Summary reports were provided. The information is available. There’s a resolution before the Board to specify the frequency with which information is submitted. I invite all the Board to go to OhioCheckbook.com and take a look at how information is organized and displayed.

The matter regarding Mrs. Hollowell requires that we notarize the CNA Surety “Proof of Loss” form. I’ll need a representative from the Board, preferably the President or Vice President, to accompany me to the bank to get the form notarized. I’ll notify Mr. Gutowski once the form is ready.

With the resignation of Dr. Rice from the Board I’ll need new bank signature cards.
The Director has established a partnership with the Greater Cleveland Urban Film Foundation to assist in the effort to teach East Cleveland youth the art of filmmaking and seeks to appropriate a portion of the Flewellen Fund in that effort. The current fund balance is $16,748.60. The requested appropriation of $5,000 would reduce the unappropriated fund balance to $11,748.60. A resolution is before the Board for approval of the appropriation.
